ts as well as for ind the forst great post of the democra Context prophet of the people, sings: "A king can make a belted knight, A marquis, duke and a' that. But an honest man shoon his mich Gude faith, he mau na fa' that!" Yes, old rank is often rank indeed.

postal progress and reform teacher tive "object lesson" in this connet en something like 25 cents wa carrying a letter from one town to postal department postal department was an insig-sir, and there was "no money in it."

not many years ago since postage was 5 upon an ordinary letter such as now goes and no one is a whit the wors son why letters should not have also. A race of readers and s such as Canadians are always have Those who do not ought Trish policy w self would gladly confess that ign Irish policy would be English bliss. The amount of taxes that a class so d unintelligent would have to contrite to the maintenance of a gratuitous postal vice would not be worth estimating. They

The best of us have our faults an nesses, which was the moral the poet intended to convey when he wrote of the good young

rvice would not be worth estimating. They ont count one way or the other. Low postal tes have always proved themselves great lucators and vitalizers. A postal service sup-orted on the same principle as free schools ould make in the same direction and will eyet established. Pending that, however, it worth while remarking that the United tates is satisfied with the result of its ex-timent in observe restars. cheaper postage. Last year the uced from 3 to 2 cents, and the ance increased from half an ounce unce. The result has been an in-

"No liquor he'd use, Nor tobbaco he'd choose, But he played like a fiend On the fiddle. of nearly 2,000,000 in the number of letters transmitted, and a smaller but heless marked increase in the quasite of I, and a smaller but ase in the quanity of a least increase has The Globe asserts that owing to his I-class matter. The least inc in unsealed circulars, presumably be-e many of these are now sent under the ed two cent rate. The Dominion Govern-Mayor Howland has become merally shown considerable enter-puty in the hands of the very worst tal affairs. It would be warthy of in the Council." This is a painful comp that respect to come up to the ates standard of cheaper post-unt of revenue involved is com-piece of it and see. Hereafter, when aske I in that respect to come up to the on doubts us let him sit down on a ratively a matter of little moment, but reit otherwise the post-office should not nducted for revenue only. The World ex-ts to see the day when it can look back and im to have been the pioneer of a successful ited gratitions Toronto has, the con-strained to answer: "O, a putty good mayor, thank you." And it was for this that the I Deacon fell upon Mr. Howland's neck and wed gratuitous postal service, for at least estic correspondence. Land Beform First. me short time ago the contention was e, in these columns, that Ireland's first

"mighty onsartain."

de, in these colu and foremost want was not Home Rule and a National Parliament sitting in Dublin, but reform of the land laws, the summary stopping of evictions, and the complete abolition of the landlord's power to issue warrants of distress and distrain. Such power, it was argued, should not be allowed to remain in the hands of any individual, but should be exercised only by law sourts of competent jurisdiction. Whereupon some red-hot Irish Canadian Home Ruler, unable to contain himself. do ost want was not Home Rule and a

The Rankness of Rank.

The Eankness of Eank. An esteemed correspondent has corrected Hicks-Beach as a knight. Most of us rough, new and democratic Canadians know compar-atively little-and care less-about the nice distinctions of the peerage. We are not "in it," as it were. The genealogy of the first families is not studied in our public schools to any extent, and sooth to say there are quite enough superfluous studies pursued therein without that. But the point thiefly insisted upon by "V. R." is that Hicks-Bench's realf is older-and therefore Tanker-than that of

214 ; Onterio liment county judges for their partiality as revising officers. ving something else across the bound to have Gladstone's in his opinion land reform, atrabilious aspersions.
