

## The Creative Arts Committee

The Creative Arts Committee tries to provide for music drama and the creative arts in general. Each year it brings to Campus speakers, musicians, actors and others. This year most of its activities are concerned with music. A full program of these is attached to this sheet. **KEEP THIS PROGRAM:** it will help you in arranging to attend these concerts etc.

As part of your fees, you have paid some money towards the Committee's expenses and in return you are given a free ticket to each event the Committee sponsors. You pick up your ticket from the office of the Dean of Men's Residences in McConnell Hall on Campus usually a few days before each event.

We post notices and send circulars round the classes announcing each separate event. We also put announcements in the Brunswickan and on Radio U. N. B., (with the cooperation of these organizations). Watch and listen, and you will find much interesting, varied and excellent entertainment. We invite both established artists and young artists, so this is your chance to hear the best now and to judge who will be the best in the future.

This year, we are also helping to sponsor the concerts by PAUL HELMER the University's Resident Musician. His work was so popular last year that special arrangements have been made to keep him here again this year. We hope you will enjoy hearing him.

An innovation this year is an open meeting of the Committee, at which anyone who wishes to attend will be most welcome. This meeting will be held in Memorial Hall at 7 p.m. on Thursday 26 September.

## DRAMA SOCIETY

As in previous years, the U.N.B. Drama Society provides an opportunity for all students interested in acting, set designing, stage management, stage crew, lighting, make-up, costuming, scenery, publicity and production in general.

The society plans to have two major productions, several one-act plays and a number of rehearsal readings this year.

We would like to see as many new faces at our first meeting as possible, as well as old familiar faces. Among these we wish to have several junior, senior or post-grad. students who would be interested in directing a one-act play.

Our first meeting will be held in the Memorial Students' Center at 7:30 P.M. on Tuesday, September 24. Your presence will be appreciated.

R. Cole, Publicity Manager.
