At Berlin, June 10, 1911.

Dear Mr. Paterson:

I thank you for your letter of the 8th instant, advising me of the increases in salaries which have been granted to Mr. Dunn and other officers of your Department at the port of Berlin.

I am sure these increases will be much appreciated by those who are to benefit by them, and I am not a little grateful to you for the generous personal interest which you have taken in the matter.

Yours faithfully,

Hon. Mr. Paterson, M.P.,
Minister of Customs,
Ottawa.
