My dear Senator,

I thank you very much for copy of the proceedings of the Senate and House of Commons relating to the supply of Ross Rifles which your private secretary has so kindly forwarded to me.

I have received word from Ottawa in the past few days which would indicate that my services will be required in a military capacity shortly due to the speeding up of the war effort in this country.

I expect to be in Ottawa one of these days and hope to have the opportunity of seeing you.

Yours sincerely,

JohnHPrice
