Ottawa, April 30, 1908.

Sir,-

I beg to acknowledge the receipt of your returns of agricultural and industrial statistics for the past fiscal year and in reply to say that you have omitted to give the religious belief of the Sioux at Portage la Prairie. You give the population of the Sandy Bay band as being 291 but the details giving the number of males and females under the different ages give 301. The population of the Shoal River, Steep Point Rock, etc., you give as being 161 whereas the details give 171.

Be good enough to give the correct figures as soon as possible, also the religious belief of the Sioux Indians.

Your obedient servant,

Secretary.

R. Logan, Esq.,  
Indian Agent,  
Portage la Prairie, Man.
