Treaty Payments.

140/28-3 (A.8)

July 7, 1964.

P.A. →

This refers to your memorandum of June 23, 1964, regarding the payment of treaty to the Hay River Band on June 22.

It was not intended in our Circular Letter No. 102 that prior permission must be sought from the Director before payments were made in cash. Your action in approving cash is therefore not irregular.
