

Remarkable success in demobilization,
reconversion, maintenance of employment
and prosperity - year 1947 perhaps the
most tranquil in domestic political
history of Canada.

Every political difficulty in Canada today
result of causes outside our borders
and outside our control

No country, moreover, has made more strenuous
or consistent effort to improve
conditions throughout the world since
1945 than has Canada.

Liberals of Canada in 28 years since 1919:

1. Re-united a divided party.
2. Held office for more than 20 years.
3. Twice in succession won unprecedented
majorities in Commons.
4. Carried a united country into and
through the greatest war in history.
