Dear Mr. Gillett,-

Replying to your letter of October 27th last re adoption papers for Robert Alexander Clifton and Alma Clifton, the form you enclose is something along the same line as the one we use in this Agency, and would be very satisfactory if you can get Louis Clifton and Alma's people to complete the same. We would appreciate very much if we could have this at your earliest convenience.

At the same time, would you kindly inform me whether Birth Certificates have been registered for these children. If so the copy will no doubt be on file in your office, and we would like to have a copy of same to complete our records. We are trying to have on file a Birth Certificate for every Indian in the Agency, and one by one we are attaining this ambition.

With kind regards,

Yours very truly,
