

FOR RELIABILITY and BRILLIANCY

All modern stores, hotels, restaurants, cafes and offices can get no better lamps than ours.

Gas are lamps, for both inside and outside illumination, for sale from \$7.50 and upwards.

Incandescent gas burners offer the most reliable, brilliant and clearest light obtainable for fifty cents upwards.

Call and inspect our new stock in these lines, and see the illumination of our salesrooms.

Corner of Fort and Langley Streets

The Gas Company wishes to extend its sincerest thanks to those of our customers who have so kindly allowed us to make use of their statements in regard to their different experiences and opinions, as expressed in the above letters.
