

inside, place your key in the outside door, and carefully open the door; then draw the handle to the right, and downwards, as far as it will go, once, and let it go; close the door and wait for the arrival of the Department, to report, if necessary, the locality of the fire. Always, if possible, take the hour and minute of the day or night when the alarm is given, and the time the Fire Department arrive upon the ground, which information give to the officers in charge of the Fire Department.

Never put a key into a box unless for fire.

Do not pull a box for a chimney on fire, or for fires outside of the city limits.

The key-holders are requested to report any tampering with the line or boxes to the Chief Engineer of the Fire Department.

THOS. WASTIE, *Chief Engineer.*

HACKMEN'S TARIFF OF RATES.
