selfish services to us as a congregation for several years.

We all have been benefitted by that befitting splendour added to our devotional exercises, and as a congregation we desire to show our teelings and our indebtedness. Therefore, as Christmas times are drawing near, we cannot do better than ofter some token of our appreciation for your services so graciously and freely rendered. For this reason we would ask you to accept this "Silver Tea Service," not for its intrinsic value but as a mark of our appreciation of your services.

And we pray that kind Providence may long spare you amongst us and that grace, unity and concord may long prevail.

Signed on behalf of the Congregation,

Mrs. Geo. Clark, Mr. W. J. Wilson Mrs. Wm. Law, Mr. W. Young, Miss Annie McAuley, Mr. A. E. Elliott.

Regarding "Congregational Record"

When Century Fund began, it was arranged to provide each congregation, or separate station of a congregation, with congregational Record Books. When a canvass had been arranged for, and a local Treasurer appointed, his name was to be sent to the agent, and the books were to be forwarded. It may be explained that these books are bound, and go in sets of two, of which one copy remains with the congregation and the other should come back to the agent.

Some are sending in the canvassing books, which are quite different. For various reasons many seem not to have applied for congregational records, and there is reason, also, to fear that numbers of them have been lost in the post offices.

Now that the canvass is complete, I shall be obliged it those who have not received those books will apply for them at once, using the
