**TO MASTERS AND SEAMEN
 IN THE MERCHANT SERVICE.**

NOTICE is again hereby given, that the undersigned is duly authorized to carry into effect the British Act of the 5th and 6th of William the 4th, respecting Masters and Seamen in the Merchant Service.

That, to enable the Masters to receive the necessary Documents—that they are, by the said Act, obliged to take home all balances of wages due to seamen left on shore, in hospital, or elsewhere, and incapable of duty, must be paid into his hands, and no other person can, on any account, lawfully receive the same.

Also, that all Seamen who may have been left on shore, and unable to do their duty, will be furnished with information how to act in such cases. And any master that will give a passage to England to any such seamen, will be furnished with Documents to enable them to receive the amount of their victualling account, on their arrival, from the President and Governors of the Corporation for the relief and support of sick, maimed, and disabled seamen, and the widow and children of such as shall be killed, slain or drowned in the Merchant service, and for other purposes.—[at Act of the 4th and 5th William 4th, cap. 52.] Under these circumstances, it is to be hoped few disabled seamen will remain in Canada, during the long winter, in a state of destitution.

PILES, &c.

HÆMORRHOIDS—NO CURE NO PAY!
 Price \$1—Hays Liniment—No Fiction.
THIS extraordinary chemical composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invented with the solemnity of a death-bed bequest, has since gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Gridley's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject;" and he therefore bequeathed to his friend and attendant, Solomon Hays, the secret of his discovery.
 It is now used in the principal hospitals and the private practice in our country, first and most certainly for the cure of the Piles, and also so extensively and effectually as to baffle credulity, unless where its effects are witnessed externally in the following complaints:—
 For Dropsy—Creating extraordinary absorption at once.
 All Swellings—Reducing them in a few hours.
 Rheumatism—Acute or Chronic, giving quick ease.
 Sore Throat—By cancers, ulcers or colds.
 Croup and Whooping Cough—Externally, and over the chest.
 All Bruises, Sprains and Burns—Curing in a few hours.
 Sores and Ulcers—Whether fresh or long standing, and fever sores.
 Its operations upon adults and children in reducing rheumatic swellings, and loosening coughs, and tightness of the chest by relaxation of the parts has been surprising beyond conception. The common remark of those who have used it in the Piles, is "it acts like a charm."
THE PILES.—The price \$1 is refunded to any one who will use a bottle of Hays's Liniment for the Piles, and return the empty bottle without being cured. These are the positive orders of the proprietor to the Agents, and out of the many thousands sold, not one has been unsuccessful.
CAUTION—None can be genuine without a splendid engraved wrapper, on which is my name, and also that of the Agents.

CALEDONIA SPRINGS.

THE favorable opinion I formerly entertained of the waters of the Caledonia Springs is MORE THAN CONFIRMED, as well from the benefits personally derived from their use, as from what I observed of their effects on others. The water should be drank in moderate quantities before breakfast, and persevered in for some weeks at least.
