USE **CAPILLERINE** FOR

DESTROYING SUPERFLUOUS HAIR
ON THE HANDS, ARMS, NECK,
FACE, OR ANY PART OF
THE PERSON.

Instantaneously dissolved and removed and the growth permanently destroyed without the slightest injury or discoloration of the most delicate skin. Harmless as water. Best preparation in the market today. Highest award at the "World's" Fair.

CAPILLERINE

Supercedes Electrolysis. It is not painful, nor will it leave any marks. It is more successful. It is cheaper. Takes only four minutes to remove the strongest hair. In every respect it is superior to Electrolysis. By judicious and persevering treatment it never fails.

CAPILLERINE is put up in liquid and powder form. Liquid form is preferable for very strong hair. Capillierine can be obtained of all druggists. If you can't get it apply direct to us. Sent by mail, securely sealed from observation, to any part of Canada or the United States on receipt of \$2.00 per bottle, by post 6c. extra.

Send money by Post Office order or registered letter. To avoid mistakes or delays write your name, post office, county or state (street and number, if any), very plainly.

The sooner the Superfluous Hair is attended to the easier it is destroyed.
