

Arrange for a

Tissot Bible Lecture

in your Church this fall or winter. It will help financially and develop a great deal of interest in Bible Study. Children, parents, everybody become interested.

Fifty Lectures Last Season

in city, town and rural Churches.

Most powerful stereopticon lantern and flake silk screen used at all lectures.

Special Lecture Terms given to Sunday Schools

Programme: Over 100 magnificent lime light views, reproducing Tissot Paintings in original colors and life-size of Bible characters — many International Sunday School Convention views and fifteen flashlight views inside the wonderful Mammoth Cave of Kentucky, including Fairy Grotto, Scene on Echo River, Pillars of Hercules, etc., etc.

"Two solid hours of interest and education."
