

A WELCOME TO BONSPIELERS

at American-Abell Engine & Thresher Co.'s Main Office,
758 Main Street, Winnipeg, Opposite C. P. R. Station,

DURING BONSPIEL WEEK

ENGINES

Traction and Portable.
Simple and Compound.
Tandem and Cross.
Locomotive boilers and return tubulars.
Balance valves and double-posted, heavy-draft gears and Clydesdale wheels.
—The result of American push and Canadian ingenuity.

We have the largest and most up-to-date variety of **THRESHING MACHINES** of any firm IN AMERICA. We want you to see our **NEW TRACTION ENGINE "DUNDONALD"**; also new **PORTABLE ENGINE "DEWEY."** Sample of above, along with many others, will be on exhibition at our Warerooms, Main Street, and at Mammoth Rink.
