## GOSSIP.

## A BIG LOT OF IMPORTED CLYDESDALES.

The well-known firm of R. Ness & Son, Howick, Que., importers of Clydesdales, Percheron and French Coach horses, when visited by a representative of "The Farmer's Advocate" a few days ago, was found to be well stocked with an exceptionally choice selection of stallions and fillies, particularly of Clydesdales. The great stallion, Sir Spencer [9655] (imp.), was found in particularly nice bloom. One of the most noted sons of the renowned sire, Sir Hugo, Sir Spencer has won many laurels, both in Scotland and in Canada, and as a sire, three of his daughters now in the Howick stables prove him to be one of the greatest living sires this country has ever seen. At the late Ottawa Show, one of these, Darling of Begg, in the two-year-old class, was first, and afterwards champion over all ages. Another in the same class, Bess Spencer, was fourth; the other, Nan Spencer, in the three-year-old class, was first and reserve champion. This is a wonderful showing, particularly in such strong classes as there were at Ottawa. The dam of Sir Spencer was by the H. & A. S. champion, Rosedale, and he himself was champion at Ottawa and Sherbrooke last fall. Baron Squire [12522] is a bay, rising four, by the renowned Baron's Pride, dam by the great Macgregor. This is an exceptionally choice horse, with big size and superb quality. Last fall he was first at Sherbrooke and second at Ottawa. At the late Ottawa Winter Show he was again second. Royal Cup [12524] is a black, rising three, by the renowned Royal and H. & A. S. first-prize winner, Silver Cup, dam by Fickle Fashion. This is one of the great colts. He is a show colt all over, with perfection in conformation and quality. At the fall and winter Ottawa shows he was first and reserve champion. Another, same age, is the big bay, drafty, Baron Allan [12523], by Baron's Pride, dam by Fickle Fashion. He is choke full of draft character and shows strength all over. The fillies are an extra choice lot, remarkably well-bred. Besides the three before mentioned, there are four rising three years and two rising two years. The former are Lady Bowie, a black, by Earl of Clay, dam by the great Baronson, by Baron's Pride. She is thus a half-sister to the champion Oyama. Dusky Maid is a black, by the Royal champion, Diploma, dam by Up-to-Time. These two are well matched, and should go together. Bell Grierson is a brown, by the renowned Prince Sturdy, dam by Emperor of Bombe. The other, rising three, is the bay, Jeannie Cruickshank, by the noted sire Radium, dam by the H. & A. S. second-prize horse, Royal Carrick. The yearlings are Mildred of Allenfern, a brown, by Baron Ruby, dam by Prince Albert, and Lincluden Maggie, a brown, by Baron Ruby, dam by Prince of London. On hand in Percherons there are two stallions, both blacks, rising three years of age, one of them first and champion at Ottawa last fall. They are an exceptionally choice pair, particularly good at the ground. All are for sale, at right prices.

## COW SWEATS IN STABLE.

Occasionally, when I go to the cow stable in the morning, I notice that one of my cows is sweating on back and sides. She is thin in flesh. L. L.

Ans: This may be due to want of ventilation and too close atmosphere, and may be due to general want of condition. It would be well to give her a dose of Epsom salts, and give her a heaped dessertspoonful three times daily, and feed well and attend to comfort.

To Buyers Looking for a  
GOOD STALLION

I HAVE imported Percheron Stallions for years, always bought them from the best breeders in France, and beg to call the attention of prospect buyers to the fact that I have at the present time a better lot of Percheron Stallions in my barn than any barn in Canada. I have the big kind, the right kind, the kind that good judges are looking for. I won, as usual, more prizes at the leading fairs than all the Percheron importers put together. My horses are beautiful dappled-greys and blacks. Two to eight years old, weighing 1,700 to 2,200 lbs., with feet and legs that cannot be beat. Beautiful heads and necks. The kind that good buyers are looking for. I do not intend, and will not allow, if I can help it, anyone to give more quality and breeding for fixed price than I will. Come to the home of the Champion Prizewinners and judge for yourself.
