Intelligencer says — the lave a bewact coming into operation the new year, in Upper Canada, mice provides for the election of the Mayors of cities and towns by the vote of the people. The proposed as an alternative, not long ago, and which here was no proposed as an alternative, not long ago, and thoughtful are attempting through the Press, to that suggestion was answered by the British Gov stir up the better sort to make the choice of chief officers a matter of consicience. It is well said that be abrogated; but that act would leave Great popular elections, to be vlauable in their results, popular elections, to be vlauable in their results, require the presence of the intelligent and the she claimed in Central America, including the pious; and I cannot doubt that the time will come when Christians will feel more than they do now the duty rhigh the nore than they do now the duty which they over to society, reply. Hence, abrogation, in view of the posi-where popular elections elevate men to power. tion heretofore assumed by the Administration, It cannot be right that the turbulent and the ig-would be nothing more than a mode of declaring It cannot be right that the turbulent and the ig-norant should decide who shall be our rulers; war, unless we should determine to surrender where the peaceful and intelligent withdraw. where the peaceful and intelligent withdraw. Elections would be less exciting if Christian men would carry their religious principles with them to the polls, and do their duty.

#### United States.

WASHINGTON, Dec. 11 .- The recent escape of filibusters from Mobile excites intense interest in official quarters, as it is considered that if they at the hands of his son. Since consciousness shall be arrested by the British and other foreign forces, the volunteer feeling of this country would be aroused to the highest degree of excitement, and immense reinforcements rush to the A few days since, however, he was left alone for a few minutes, and soon called for assistance, government would be precipitated, and a most angry and threatening state of things probably result between our Government and those of Great Britain, France and Spain. The ques tion would arise whether European governments should be allowed to interfere for the regulation of affairs upon the American continent, to the of affairs upon the American continent, to the prevention of which our Government is commit-favorable turn would most likely prove fatal; but he has held out so well and

The Union of this morning referring to this so much more favorable than at first, it is besubject says :- " It is to be hoped that our own naval vessels may yet succeed in intercepting the bers of the family are doing well. fugitive Susan, bringing her back to our ports and preserving this filibuster question still longer as a purely domestic one in our policy. Upon the vigilance of our officers in the waters of the sury that the finances of the United States are Gulf may depend in a great measure the peace not in a flourishing condition. Here is an estiof the world.

good than harm.

WASHINGTON, December 14 .- The Administration is flurried by the intelligence from Greytown; at the Navy Department much chagrin is affected at the prudent forbearance of Captain McIntosh, of the Roanoke, and Captain Jarvis, of the Savannah, from a row with the Leopard and the Valorous. They even censure our naval officers who were in command, for not having obeyed, in this instance, orders which were issued upon the occasion of the search in the Gait of Mexico, last Spring—which orders were to the effect that our vessels should be protected from visitation and search. Our naval officers better understood the question, and Captain McIntosh has written to the department that the town ; at the Navy Department much chagrin is affected at the prudent forbearance of Captain in one version or another.-N. Y. Spectator. MeIntosh has written to the department that the officers of the British vessels of war did not in-

terfere with the steamer Washington on account of any pretension to a right of search, but on the ground of the duties of Great Britain under her protectorate of the Muquito coast, and also in virtue of her arrangements with Nicaragua oly of Christian churchmen, but is a favorite for the enforcement of her police regulations.

sident himselt is glad of any occurrence that can Mussulman empire. In Algiere, as at Tripoli divert the attention of the public from domestic affairs. Truly there is nothing in the matter status and funis, any family wishing to secure its estates against confiscation makes it over in fee more than has been foreseen and foretold The British Government had given due notice that Nicaragua should no longer be exposed to the British Government had given due botte Nicaragua should no longer be exposed to the inroads of filibusters from the United States, and then be sold by no process, and several French they had suspected the passengers in the Washington to be of that class. It is not pretended that the British committed any grievous injury that the British committed any grievous injury to the steamer or her boats or her passengers, ferable. The new Minister of Colonies. Prince and prevented the transit of her passengers Jerome, saw the absurdity of this tenure, and Musqudoboit, St. Margaret's Bay-the Superacross the isthmus. The "emigrants" on board of the "Susan"

from Mobile will receive a similar visitation from the British cruizers, if our own naval force should. in disobedience of positive orders, suffer them to land. If they elude the British vessels, in the harbor, it is well known that they will be Government is at present occupied in devising cers in command at Greytown.

so many worus, by Lord Napier, as the deter-mination of his government. A little tempor-ary breeze will be raised in Congress by this occurrence at Greytown, and it is well known that our Government will make remonstance at this apparent revival of the pretension to a right of search, but it will come to netking. If our of search, but it will come to nothing. If our RUSSIA.-The Northern Bee publishes an acgovernment is too weak to enforce its neutrality laws, it does not follow that it should protect those who violate our laws from the consequences (the indication of the re-establishment of the relations be-tween the Russians and Chinese on the 25th August, at Schougoutschaken, Kouldga, in Westof their lawless acts. It will be found as power-ern China, and the solemn inauguration of the present at as many of the meetings as he may less for the latter object as for the former.

on account of any objection to his diplomatic course here. Some of our anti slavery people have, however, taken exception to the fact alleg-the abaltion of serfdom.
