EDITOR'S AND BOOK STEWARD'S NOTICES, &c.

1. On our second page among the obituary notices may be found one from the pen of Bro. Dove, respecting a mother in our Israel who was formerly well known, especially in many parts of New Brunswick, We refer to the late Mrs. Barbara Dalrymple, widow of the late Rev. Rich. Williams, who died at the residence of her son-in-law, R. R. W. Lilly, Esq., St. John's, New-

foundland, on the 6th April. Mrs. Williams was deservedly highly esteemed by all who had an opportunity of becoming acquainted with her. Some thirty four years ago, at a very early period in his ministry, it was the Editor's privilege to be for several months a member of her family; and he learned then to regard her not only as a lady of cultivated mind and exceeding amiability of disposition, but as more than this-as a devoted Christian woman who was earnestly striving to glorify her loved Lord and Master and unselfishly labouring to promote the happiness of all around her.

Magenta or Rosine, Magdala Pink, Crimsor Scarlet, Purple, Blue, Violet, light and deep Yellow, Green, Brown, Poncean Scarlet. Green requires pure wool in order to success, part cotton flannel wont take it Most of them dissolve freely Hard and Tough Metal, And its large varieties of flannel wont take it. Most of them dissolve freely in hot water, others have to be first dissolved in a little spirita, and then added to the boiling water. Directions go with each packet. They are very easily used, all required is to dissolve the dye in boiling water, and put in the goods. Iron vessels should not be used, a milk dish well heated previous to the operation is the best. Some of these dyes make good Ints viz. Purple, Vivlet, Blue; Poncean makes fine Jelly or Syup coloring, or BOOK AND JOB TYPE.
