# WINCHESTER

.401 Caliber

## Self-Loading Rifle.

This new Winchester is reloaded by recoil, the repeating as well as the firing mechanism being under control of the trigger finger. A bullet fired from it strikes a blow of 2038 pounds—force enough to topple over the biggest game—penetration enough to reach the innermost vital spot. Tho wonderful in operation and powerful in execution, this rifle is neither complicated in construction nor cumbersome to handle.

It Hits Like The Hammer Of Thor.
