rapidly as she ought to and receive the RISE OF KETTLE RIVER AND BOUNDARY CREEK CAUSES TROUBLE.

> LAWLESS TRAMPS WHO AT-TEMPTED TO STEAL A TRAIN RIDE.

Greenwood, May 29.-(Special.)-At the point of a revolver three tramps attmpted to board the Eholt-Phoenix combination train near the Oro Denero Siding last night. After being ejected they made a second attempt to get on the coach ,and in the scrimmage that followed Conductor Harpenny received slight injuries. The provincial police are

citizens should be so careless in regard working on the case. The beavy rains of the past few days to matters that concern them individually have caused trouble along Boundary creek, which has risen considerably. In town the Deadwood street bridge and the and collectively, but the disease is one that appears to affect all Canadian cities bridge leading to the smelter were washed away, as also the cribwork on a full vote would have meant a decisive Boundary avenue, entailing a damage majority for both bylaws, which had much \$4,000. The bridge connecting the railto commend them to those who took an way station with the city is in a preintelligent view of the situation. As it carious condition. Down at Boundary Falls the old Dewdney bridge was washed out, and at Midway the timely action vide a proper sewerage system has been of the citizens in blowing out a log jam defeated. It must be assumed that those saved the bridge there. who voted against the council's proposal

The McGill University students arstand ready with a plan of their own, to rived this morning from Phoenix and took in the local smelter. The afternoon be put into execution at the time when was devoted to the inspection of the Sunset and Mother Lode mines in Deadwood camp. While here the visitors were the guests of the city. They return bome via Nelson tomorrow. Grand Forks, May 29.-(Special.)-The Kettle River Power company advertises an issue of \$100,000 of six per cent mortgage debentures repayable at 110, in January, 1933, to develop concessions from the Cascade Power and Light company, and to repay sums already ex-pended by the London-British Columbia Gold Fields company, limited. The Kettle river is a raging flood; the water is up to the record mark of three years ago and may go higher. The banks
