NEW DISCOVERY.

IMPORTANT to HOUSE-KEEPERS and OTHERS who wish to restore the Brilliancy of their Varnished or Polished articles of Household Furniture, Carriages, Harness, or other Polished articles, of any description, whether in Wood, Leather or Metals.

WILLIAM McMASTER,
CABINET-MAKER AND UPHOLSTERER,
156, NOTRE DAME STREET,

Begs to announce to the public of Montreal, that he has been appointed AGENT for Canada East, for the sale of that invaluable Renovator of Varnished or Polished articles, named

McCOMBIE'S COMPOUND RESTORATIVE,

lately discovered by Mr. McCOMBIE, of New York, and of which he is the sole Proprietor and Patentee.

The immense demand for the inestimable Composition throughout the United States, has made it difficult for the Proprietor to keep up the supply; and the Agent feels confident that a few trials of it in this quarter of the Continent will afford such satisfactory results, that the sale will be proportionably large.

It is sold in bottles, with directions for use, at 2s. 6d. for each Bottle, at Wm. McMASTER'S Cabinet Warehouse, No. 156, Notre Dame Street.

A beautiful collection of NEW FURNITURE on hand at his Show Rooms.

For dandruff, and all similar affections of the head, it is a sovereign remedy. With all this, it is to superlative perfume, and whether it does more credit to the article for the purpose of the toilet, Dey it and try it.

JOY TO THE BED-RIDDEN.

A VALUABLE DISCOVERY FOR
THE INSTANT CURE OF PAIN.

RADWAY'S READY RELIEF

Cures the worst diseases in Minutes and Hours, and stops the most cruel pangs of pain in Seconds.

SO quick and effective is RADWAY'S READY RELIEF in Pain, that it is the first and only Pain Remedy that infallibly stops the most excruciating pains, allays inflammations, and relieves Weakness, whether of the Kidneys, Bowels, or other glands or organs of the system.

Rheumatism	In four hours,
Neuralgia	In twenty minutes,
Tic Doloreux	In ten minutes,
Toothache	In one minute,
Pain in the Face	In fifteen minutes,
Sciatica	In five minutes,
Lumbago	In five minutes,
Sour Stomach	In one minute,
Heart-Burn	In one minute,
Bowel Complaints	In thirty minutes,
Cramp and Spasms	In twenty-five minutes,
Diarrhœa	In one hour,
Inflammation of the Bowels	In forty minutes,
Colic	In ten minutes,
Inflammation	In twelve hours,
Influenza	In ten hours,
Spinal Complaints, Swellings, Sprains, Wounds,	In one minute,

&c., it will remove ten times quicker than any other remedy in the world.

LET THOSE WHO SUFFER TRY IT!

It will prove itself in a few minutes. As soon as it is taken internally, or applied externally, its beneficial effects are seen. It is better than all other remedies.

HERE IS THE PROOF.

There is no other remedy that claims to subdue the greatest pangs of pain in seconds, minutes, or even hours. They require the patient to use dose after dose before a favorable change is pronounced. Not so with Radway's Ready Relief. Its effects are instantaneous; the first dose that is taken; or the first external application commences its great work of relief from pain.

BEAR IN MIND.

That Radway's Ready Relief will cure either of the above-mentioned Diseases in one-tenth the time it takes any other Remedy to give even Partial Relief.

TAKING COLD.

This sentence is constantly in the mouth of every person, in order to explain certain complaints. Those who use it often, we think, have but a faint idea of its precise meaning. We will offer an explanation, which we believe to be the opinion of a majority of the most learned physicians. A person, for instance, has been over exerting any particular set of muscles—of the throat, from violent speaking—of the loins, by too much stooping or bending, or those or any other part of the body; those parts or muscles are, consequently, weakened and relaxed, and become a fair prey for any disease. The person who has been thus acting, accidentally or otherwise, exposes himself to the cold air, the perspiration immediately ceases, and the blood, which had been but just now circulating rapidly throughout the surface of the body, is repelled inwardly, and is sure to settle in those parts which have been previously weakened and relaxed. Here, then, we have an accumulation of blood, a congestion, which gives rise to all the pain and stiffness attendant upon such complaint. When this takes place in the throat, we have what is called Sore Throat; when in the loins, Lumbago or Stiff Back; when in the chest, Pleurisy. We also have it in the shoulder-blade, side, and other parts.

RADWAY'S READY RELIEF,

Taken Internally and applied Externally,

Its first action, when freely applied, is to heat the acute sensibilities of the part, and almost instantly relieves the pain; its secondary action is to excite perspiration, and redden the parts over which it is applied almost to a glow, thereby determining the blood from the internal parts to the external. In these cases, the READY RELIEF should be applied freely, at the same time rubbing the parts with a piece of flannel, and it will be found in every case to give immediate and permanent relief.

N.B.—If convenient, a piece of flannel saturated with the RELIEF, and tied or pinned around the parts, does good service.

A BAD COUGH CURED IN TEN MINUTES.

Mr. RADWAY, of Brooklyn, the celebrated Church Singer and Organ-Player, on the night of the 10th of December was attacked with a severe fit of coughing—so that he coughed from 9 o'clock until 12 o'clock, P. M., without three minutes intermission. One of the Clerks of Radway & Co., who sleeps in the next room, got up and gave him a tea-spoonful of the Relief internally, and bathed his throat, neck, and breast on piece of flannel with the Relief, and laid it over his chest. In a few seconds the coughing ceased, he could expectorate freely, and raised with perfect ease a great quantity of phlegm. The consequence of a severe disease of the Digestive Organs that my Physician judged it right to suspend for a time all active remedies, even for the repression of Dyspepsia and an absolute Retention of the Bowels, under both of which I was suffering severely. He prescribed for my relief the Mineral Waters, and I made use of those of the Point du Jour, as being the nearest. I was at the time so weak, that it was with difficulty I kept my feet. However, at the expiration of three weeks, I was restored by using the Waters. These Waters are of a gaseous nature, containing a large quantity of saline particles, and agreeable in the taste—albeit in a large dose they are strongly laxative; but their purgative properties are unattended with griping,—those even who have been using them have not been weakened or enervated in their constitution in consequence; upon the contrary, by using them and they find their appetite increased, and their digestion rendered more regular. After a dose of 3 or 4 four glasses, I found that they had the effect of increasing the urinary secretions at first, and that these decreased in the same proportion that the alvine secretions increased. The action of the nervous and sanguinary systems were thereby moderately augmented, and, instead of feeling nervous and weak as I had been during some days before them, I perceived myself involuntarily disposed to pleasure and gaiety. Many who, in the same circumstances, made use of the Waters by the recommendation of the Canoness, experienced the same effects. To conclude, I am of opinion, in conformity with the Advysis made by T. S. Hunt, Esq., that Physicians might employ it successfully in the various diseases for which the Pharmacopœa Waters are so judiciously recommended.

Yours, respectfully,
AMABLE SIMARD, M. D.

St. Joseph's Convent, May 14, 1850.

SIR,—I observe with pleasure that the Mineral Waters, at their source at Point du Jour, Parish of the Assomption, (L'Assomption,) are acquiring the celebrity they merit. For myself, who am, perhaps, one of the first that situated o them in the newspapers, in the year 1836, I can testify, hat since then I have had occasion to try various Mineral Waters, nevertheless I have never doubted that the preference must be given to those of Point du Jour—having myself had much experience.

J. M. BELLEROSE, Priest.

Agents for Montreal:—Dr. Picault, 26, Notre Dame Street, corner of Bonsecours Street; Benjamin Workman, Apothecary, corner of St. Paul Street, Custom House Square; O. LaLiberte, corner of St. Catherine and Visitation Streets.

The Proprietors have their Depot established at No. 6, Jacques Cartier Place, next door to the Hotel of Serafino Giraldi, Esq. The distance for conveying the Waters to the Depot is so trifling, that we are enabled to have a constant supply fresh, and are consequently in possession of a better market than any other person. Price, 7½d. per gallon, and 2s. the dozen, (in bottles.) Sick persons unable to pay for it, can have some gratis, by producing a certificate from their Physician, since we are unwilling that any should be deprived of these healing and wonderful Waters, prepared by Providence for his creatures, which are apparently designed for the alleviation and cure of many protracted and dangerous diseases.

RIVIERE DES PRAIRIES, March 1, 1850.

SIR,—Since you are desirous to ascertain the effect which the Waters of the Point du Jour Springs have produced on myself, I must inform you, that I have used them medicinally at their Source, and have found them highly salubrious.

I was at the time so affected by the
