A Courier man was given a big boy scouts would have made a betpriced. Holly is said to be slowing up boosting for Guelph. The game, safe on Keenans error and the Injun a trifle for the International and this not as entertaining as a Punch and error. Rowe gathered in a liner from onto. However, there are two or as slow as molasses in winter time made a lame attempt to ficiu the ball three things he could do for President Louis Cook calculated that he was and Behan scored, Nelson. He could play shortstop in great style for the Canadian League, he could hit and run bases; he could furnish the team with League, and trotted out Behan to do the twirling. Behan had an account to the Maple League in the Maple I and the Maple in the Maple I and the Maple in the Maple I and the Map furnish the team with brains, as he is reputed to be above everything else noon's work, and at the same time by the way rounded up four runs. a most astute baseball general and he shut the locals out, 9-0, and allowed could put some fighting spirit in the only one hit. Gero either did not club as Holly has the reputation of want to pitch or else was too unconbeing most aggressive. In addition to cerned or indifferent to try. He alhis general value as a player, the fan lowed the Leafs to fatten their batbelieves that Holly has great connecting averages and pile up 17 hits for tions for getting good ball players, 9 runs. Lamond and Rowe were the and with a manager of this calibre the only ones that showed any interest in team would never be in the hole as it the game, or made even an attempt has been this summer. It is almost a to win. Wagner was away spendin sure thing that some manager above, the week-end and did not arrive i the ordinary must be secured to get the city in time, and his place wa Brantford out of the Slough of Des- ably filled by Rowe. The fact still re pond, and Holly looks like a good mains that the Red Sox are good candidate. It is not known whether losers, as they lose nearly every day he would even look at the proposition, There is one consolation, that the but President McCaffery of Toronto, are good for something, even if it i is said to be disposed as regards losing. Summer is known among lovers of the outdoors for two things. It brings the robin, and among the bicyclists, the Brantford Red Bird, a magnificently built bicycle that well deserves the enthusiastic support of its thousands of admirers.

The Red Bird is a light roadster model of the famous Brantford line of wheels which for years have held their reputation for service and pleasure, unsurpassed by any bicycle in the world.

Know the joy and the health of bicycling this year. But be sure you get a

"Brantford" Bicycle

This wheel combines great strength and lightness in an unusual way. It is exceptionally strong, because of its forged joints and method of internal reinforcement.

This neat, compact, and wonderfully strong construction gives the "Brantford" lightness and speed that is truly bird-like. The "Brantford" has been rightly named the " Red Bird."
