A TRIBUTE

To the writer of "Random Notes
By The Way."

We have, oh, so often, wondered
Would we ever find again
In the columns of our paper
The good product of thy pen,
But we're glad the old Reporter,
Brings to us again to-day,
Fresh and new and good as ever,
Random notes along the way.

While we sit here reading, musing,
Where dry the leaves flit and fall,
Seems we gain its deeper meaning,
Seems we hear a gentle call,
Asking that we leave behind us,
In life's pathway day by day,
Words of cheer and deeds of kindness,
Random notes along the way.

When thy writing days are ended
And life's voyage all is o'er,
And when thou hast safely landed,
On a brighter, fairer shore,
And thy footsteps bear thee softly
In the light of endless day,
To thy memory we'll be reading
"Random notes along the way."

—E. Robeson

Hard Island, Nov. 1, 1911.
[Note—It was intended that above
tribute should appear in last week's
Reporter with Random Notes, but it
was impracticable.]

W. M. S. CONVENTION

The 6th annual convention of the
Women's Missionary Society of the
Brockville district of the Methodist
church was held at Lansdowne on Oct.
27, commencing at ten o'clock. The
meeting opened with the president,
Mrs T. S. Kendrick, Athens, in the
chair. Reports from the different aux-
iliaries were given.

Afternoon session—Mrs J. Walters
opened the meeting with devotional
exercises. Mrs Kendrick was again
appointed district organizer by ballot
and in her reply thanked the ladies
and gave her report of the year's work
showing a forward increase, both in
members and finances. Then followed
the round table conference; Mrs Riss'
plan of Campaign—Mrs Connolly;
Our Band Work—Miss Ida Ferguson;
The Auxiliary a Spiritual Force—Mrs
Loverin; Why Attend Every Meeting
of the Auxiliary?—Mrs (Dr.) McLean.
Then followed words of welcome by
Mrs E. E. Warren, and replied to by
Mrs Richards. Greetings were pre-
sented from Anglican and Presbyter-
ian societies.

Evening session—Devotional exer-
cises were conducted by Mr Kelly,
who also acted as chairman. Then
followed an anthem by the choir; an
address by Mrs F. A. Larke, Brook-
ville, on "Women's Day at the
Ecumenical Conference," which was
listened to with great interest. Miss
Earl, of Glen Elbe, gave a very touch-
ing reading entitled "Why Didn't You
Tell Us?" Mrs (Rev.) Hughes gave a
most instructive address on the board
meeting, paying high tribute to the
women who are head officers of this
board and telling of their responsibil-
ities and work. Meeting closed with
benediction.

PLUM HOLLOW

Mr and Mrs B. Barber spent the
week end at Brookville.

Miss Susie Palmer is home from
Frankville, caring for her mother, who
has been ill.

Mr Willie Campbell has returned
from the West.

A SURPRISE IN STORE

Several subscribers to "The Family
Herald and Weekly Star" in this dis-
trict have received their copy of the
beautiful premium picture entitled,
"Home Again." A copy has also
reached this office. It certainly sur-
passes any picture ever given by that
great paper before. How such a beau-
tiful work of art, all ready for framing
can be included with such a great
family paper for the small sum of one
dollar a year is a mystery. "The
Family Herald and Weekly Star"
should add thousands of new subscrib-
ers this season. They well deserve it,
for no such value has ever before been
given. There is a big surprise in store
for those who receive the picture
"Home Again."

PROGRESS OF THE G. T. P.

It is interesting to note the progress
that is being made by the Grand
Trunk Ry., and for the information of
the public we publish the following par-
ticulars regarding this great Transcon-
tinental Ry. The lines at present in
operation are as follows:—

Fort William Northwest via Wini-
peg, Saskatoon, Edmonton and Edson
to Fitzhugh—1472.

Prince Rupert to Copper River—
100 miles.

Canora via Yorkton and Melville to
Regina—151 miles.

Topfield, Alta. to Mirror—70 miles

There is also a total mileage of about
900 on other sections of the Eastern
Division which is in partial operation
by construction trains. The following
lines are under construction:—

Fitzhugh, Alta. to Corper, B. C.—
618 miles.

Regina, Sask. via Moose Jaw north-
west—93 miles.

Regina, Sask. to International
boundary—90 miles.

Young to Prince Albert, Sask. 120
miles.

Okan to Battleford, Sask.—50 miles
Mirror, Alta. to Calgary—124 miles.
Biggar, Sask. southwest—50 miles.
Alberta Coal Branch—60 miles.

The Grand Trunk Pacific are in
receipt of a letter from a prominent
traveller in Eastern Canada, who has
just returned from a trip to the West,
and which included a journey on Grand
Trunk Pacific from Winnipeg to Wain-
wright and return. He states—"I
must say it is one of the pleasantest
experiences in my long life of travel.
Having seen the road in making, and
being aware of the high standard set
up, I was prepared for a good roadbed,
and was not disappointed, for we rode
as smoothly as between Montreal and
Toronto. The sleeping cars are models
of comfort, and the service on them as
well as dining cars could not be better.
The Grand Trunk are setting the pace
for general excellence in Western Can-
ada."

FRANKVILLE

Quite a large number from here at-
tended nomination at Delta on Monday.
Mrs Jas. Smith is on the sick list.
Mr Chas Burt, who has been assist-
ant cheese maker in Frankville Factory
left on Wednesday of last week.

Mrs Wesley Johnson of Addison
spent a few days last week visiting
friends here.

Chas. Church is repairing the build-
ing formerly occupied by Kilborn & Co.
as a warehouse, which is making a
great improvement.

Mr and Mrs Don H. Love spent
Sunday visiting friends in Smith's
Falls.

PHILIPPSVILLE

W. Tackaberry had a large crop of
potatoes this year and he has no
trouble in getting \$1.00 per bushel for
them.

Wm. C. Stevens has been moving
some of his buildings, getting them in
a shape to make stables, root houses
and storage for his heavy crops, also to
make room for his increasing stock of
pure bred Holsteins. He has put on
a new roof and new clapboards on the
house that his foreman lives in and a
new kitchen and wood-house also.

Samuel Carr will carry the mail
from Elgin station to Philippsville,
Harlem and Chantry during the next
4 years, commencing the first of Jan-
uary, 1912.

Mrs H. C. Davison, Brookville, was
the guest of her father during thank-
sgiving holidays.

Mr and Mrs Wm. Cook spent the
week end with her sister, Mrs W. W.
Topping.

Mr and Mrs E. A. Whitmore were
the guests of her father, Mr L. N.
Pheips, Delta, for a day.

Fire was discovered in R. C.
Haskins mill-yard near the mill on
Thursday night by one of the neighbors.
They carried a dozen or more pails of
water and thought they had it out.
The next morning it was still burning.
There was a hole burned about 10x20
feet but had not come to the surface
only in a small place near the by wash.
The stuff that was burning had been
there for years and it is thought it was
a case of spontaneous combustion.

The Methodist officials are sending
out to members of their churches the
ballots to decide for them whether
church union will take place with the
Presbyterian and Congregationalists.
There is but one question on the ballot
"Are you in favor of organic union
with the other churches?" "Yes or
No" is to be the answer. Four kinds
of ballots are being issued, one for
church members over 18, one for
members under 18, one for adherents,
and one for officials. The vote will
commence this week, and will continue
until spring, when the results will be
compiled.

A Prize Contest

open to the
Farmers of Canada

\$3,600 in Cash Prizes for Farmers

READ the conditions of the Prize Contest we are conducting for the farmers of Canada. \$400.00 in prizes will be awarded to each Province. These prizes will be divided into four groups, consisting of:

PRIZE "A"—\$100.00 to be given to the farmer in each Province who will use during 1911 the greatest number of barrels of "CANADA" Cement. **PRIZE "B"**—\$100.00 to be given to the farmer in each Province who uses "CANADA" Cement for the greatest number of purposes. **PRIZE "C"**—\$100.00 to be given to the farmer in each Province who furnishes us with the photograph showing the best of any kind of work done on his farm during 1911 with "CANADA" Cement. **PRIZE "D"**—\$100.00 to be given to the farmer in each Province who submits the best and most complete description of how any particular piece of work (shown by photograph sent in) was done.

Every farmer in Canada is eligible. Therefore, do not be deterred from entering by any feeling that

you would have little chance against your neighbor. For remember, Prizes "C" and "D" have no bearing whatever upon the quantity of cement used. As a matter of fact, your success in this contest will depend to a great extent on your careful reading of our 160-page book, "What the Farmer Can Do With Concrete." In this book—sent free on request to any farmer, full instructions are given as to the uses of concrete, and plans for every kind of farm buildings and farm utility. You'll see the need of this book, whether you are going to try for a prize or not. If you have not got your copy yet, write for it to-night. Simply cut off the attached coupon—or a postcard will do—sign your name and address thereto and mail it to-night.

Please send Circular and Book.

If your family if worth the best you can afford in house and food and clothes is it not worth the best reading as well? And the best reading—best for boys and girls, best for men and women—is to be found in The Youth's Companion.

With all the rest of the paper thrown in, and counting the glorious long serial stories, they cost the subscriber less than a cent apiece, moreover, you will look long before you will find stories so varied and interesting; stories of coolness in the face of peril, strange adventures with creatures of the forest and the sea; moving stories of life's obscure heroisms; stories breezy with good-natured humor, quaint and curious character sketches.
