A PEACEFUL CRUSADE.

It must be something of extraordinary character to attract more than mere momentary attention in these finishing years of the century. Most momentous in all history have been the achievements of the last 100 years. Who would have thought it possible only 50 years ago that the warriors of the civilized world could be brought together fraternally, and be seen fighting in close fraternity? Yet such a thing has come to pass and they will be seen passing through the streets of this city on the morning of the 14th of July, starting upon a signal fired by three cannons at intervals of one minute, but bent upon a crusade of peace. They will form the pageantry which is the pride of the marvelous exhibitions which will be given in the afternoon and evening by Col. W. F. Cody's (Buffalo Bill's) Wild West and Congress of Rough Riders of the World. It will be the most unique spectacle ever seen in this city. A troop of French Cuirassiers and a battery of 75, 8 artillery; the Royal Irish Lancers of the English army; the Uhlans of the army of the great war lord of Germany; the Cossack soldiers of the great white Czar of Russia; the Bedouin soldiers of the Desert; the Rurales of Mexico; the Vaqueros of Spain; the Gaucho from the far-off Argentine Republic of South America; the red rovers of the far West, who only recently gave up their futile fight against the supremacy of the white man; a small army of cowboys—an ensemble entirely unprecedented.

Syracuse made a great effort to secure Snyder on Friday night, but he had already promised to sign with Toronto, and Manager Buckenberger was disappointed.

The London League team has lost another member. When the team was at Hamilton on Saturday Startzell was asked permission to remain there over Sunday.

This was granted, and that was the last seen of him. In a letter received by the management from Frank Snyder, the latter says he met Startzell on a train going to Buffalo, and that he (Startzell) said he did not intend to return to London.

The London League has signed a new catcher named Milton, of the Pennsylvania League.

The Maple Leafs do battle in Hamilton today. If they win the champions will glide into first place, while the Hans will drop into last.

A GREAT TEAM.

The Saginaws are a very fast team and will give the Leafs two hard battles for tomorrow. Perry, their left-handed pitcher, stood third of all the pitchers last year in the Inter-State League, with a percentage of .860. He is now at Toronto, and is pitching for Cleveland, and who shut Chicago out last week with 3 hits, and Hickman, whom Washington tried to buy from Newcastle this spring. St. Mary, their outfielder, had a batting record last season of .317 in the Inter-State League, leading such men as Mertels, who was with London last year, by 102 points.

Hempfliff, their left fielder, is also a very fast man, and stood up among the crack batsmen of the same league. Brown, their catcher, stood 2nd of 18 catchers in the same league last season, with a percentage of .866 in fielding and .310 in batting, leading such men as Creiger, now catching for Cleveland, by 24 points. It will be seen by these figures taken from the official records that this team will give the champions two hard games, which should draw big crowds.

The Waterloo club is posted by the Band will play during both morning and afternoon. Games at 10.30 and 4 p.m.

The management have furnished a big day's programme.

The scores of the Hamilton-London games, in London, will be posted by innings on the score board at the Maple Leaf-Saginaw games.

The Waterloo club in the Waterloo County League, are leaders at present, with Galt a good second, Berlin 3rd and Hespeler last.

The Alerts have cancelled their game with the Dauntless, which was to have come off to-morrow morning, as a number of them are going out of the city. The Dauntless will have a just claim on the city championship if the big fellows refuse to play them, but they say it will come off the first convenient Saturday.

Notice is hereby given that there will be a special meeting of the City League B. B. A. in the parlour of the Commercial hotel, on Friday evening at 8 p.m. The Alerts having disbanded will not be represented. The other clubs will send two representatives each. J. R. Dillon, Sec.

Scraps of Sporting.

Superintendent McKelvey, of the Brooklyn police, stated today that he will permit the proposed boxing contest between Bob Fitzsimmons and John L. Sullivan to take place. The men were to have met in a six-round exhibition at Ambrose Park, South Brooklyn, on July 5.

Others Fall—It Cures.

Dear Sirs.—From my own experience I can confidently say that Dr. Fowler's Extract of Wild Strawberry possesses true merit. It was the means of saving my little girl's life last summer. She was feeling and took violent diarrhoea. Dr. Fowler's Extract of Wild Strawberry cured her, and I feel that I cannot say enough in its favor.
