dianapolis Girl Will Have to Do Much Explaining If Many Acquaintances Saw Her.

A senior of Technical high school who prides herself on her contempt for rouge and lip sticks went to the photographer's. Several class mates helped themselves to a liberal sup-ply of "paint" just before posing, thinking the pictures would be better. Finally, they persuaded the senior to rare and presious birds; Olga, the ly, she applied the crimson puff and unsolved mystery of the medical the oily crimson stick and dashed into world; a real circus side show of strange and curious people gathered the studio for the final pose.

Half an hour later she was on the car speeding homeward when she happened to glance at the woman across the aisie. That woman's complexion, she thought was past forgiveness. How could some people bear to use that stuff and continue to appear in public! Well, one thing was certain nobody would ever see her rivaling an October sunset. Then horrors! She remembered she had forgot to wash off her own "makeup."—Indianapolis

Flowers.

To dream of picking flowers signifies future fortune. Of holding, seeing or smelling them in season means pleasure, but if out of season, obstacles and lack of success. If the flowers are white the obstacles will be less; if yellow, they will be painful, and if red, they foretell the dreamer's serious illness. If you dream of being bedecked with flowers it means a short happiness is coming to you. If you dream of buying them you will hear some good news.—Chicago Amer-The district visitor was paying her usual call, and poor harassed Mrs. Heath, who had been disturbed in the middle of a heavy day's washing, was thoroughly fed up. "Really, my good woman," droned her visitor, "what one reads in the papers is truly appalling. Indeed, one half of the world doesn't know how the other half lives." "Well, m'm," reached Mrs. Heath, simply, "that ican.

No Imitations for Her. young physician took his best girl to a local picture house. Advertise ment's were being thrown on the screen, among them this one: "Make them happy with a photograph of your self at Christmas. Our shop, etc." The young man turned to his girl with the facetious remark, "Would a photo of me make you happy?"

She shook her head. "I don Belief in the evil eye is common among the peasantry of Spain. A stag's horn is considered a good safeguard, and small horns, tipped with silver, are frequently hung about the children's necks. imitations," she pouted "I'm used to receiving real things,"
