

Natural Gas Is a Special Privilege

Moderate easterly winds, fine and warm today and on Friday.

The benefits of natural gas are enjoyed by only some 15 per cent. of the entire population of Ontario.

This great natural heritage has fallen to them because of the accident of their geographical location.

Do you realize the extent of your privilege?

If you do you will not waste gas, but will be sparing, so that it will last as long as possible.

ALTHOUGH NATURAL GAS IS CHEAP, DO NOT WASTE IT. THE SUPPLY IS NOT EVERLASTING.

You Have No Right To Suffer

Suffering is unnecessary and with CHIROPRACTIC at hand, you are willing to let your spine be acted upon. Upon the condition of your spine depends the state of your health and your suffering is without doubt due to a subluxated vertebra which is pressing upon the nerves causing the stop of mental impulse from the brain to the various organs. Your Chiropractor will give you a Spinal Analysis, will locate the place where the subluxation occurs and will proceed to adjust it. Mental impulse will then flow freely and unimpeded and your sufferings will be over.

Consultation and Spinal Analysis Free.

MacDonald-Cameron.

A quiet wedding took place in Memorial Church last night at seven o'clock when Rev. J. J. Liddy united in marriage Carrie Watt, second daughter of Mr. and Mrs. H. B. Cameron, Queenston Street and Graham Alexander MacDonald.

The couple were unattended. The bride wore a travelling suit of navy blue, georgette hat to match, and carried bouquet of sweet peas and roses. Although the wedding was extremely quiet owing to recent bereavement in both families, the church was well filled with friends of the contracting parties. The choir of which the bride was a valued member were present and sang softly during the ceremony. They also decorated the church artistically for the ceremony.

After the ceremony two little nieces of the bride, Dorothy Cameron and Dora Newman preceded the bride party showering them with roses.

Mr. and Mrs. MacDonald left immediately after the ceremony by auto for Niagara Falls where they took the train for New York where they will spend their honeymoon. Upon their return they will reside at Port Dalhousie for the summer.

The young couple are well and favorably known in this city and will receive best wishes for a long and happy wedded life.

The Winnipeg Police Commission removed Chief MacPherson and made Deputy Chief Newton Acting Chief in consequence of the former's declining to relinquish control of the force.

IF KIDNEYS AND BLADDER BOTHER

Take Salt to flush kidneys and neutralize irritating acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passed sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continuing this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.
