By Telegraph

LATEST FROM TWILLINGATE.

The Harbor Filled With Ice.

OWNERS OF SEAL NETS DOING WELL

(Special to the Evening Telegram.)

TWILLINGATE, This Afternoon.

The steamer *Hercules* arrived here on Saturday night. She succeeded in landing mails at Fogo, and passengers at Change Islands. Twillingate harbor is full of standing ice. The *Hercules* could not cross the Bay, and landed all her freight at Twillingate Arm. She was ready to start for home on Sunday night, but is still detained by the ice outside. It is still doubtful whether she will get clear. Some of our people here have done fairly well with seal nets, and prospects are good. Wind from the south-west, blowing a light breeze.

HEAVY WEATHER ON THE ATLANTIC.

The "Sarnia's" Cargo Shifted.

QUEEN VICTORIA VISITS PARIS.

Spain Preparing for War.

WHAT SENATOR HOAR WANTS.

HALIFAX, N.S., Jan. 24.

The steamer *Sarnia* for Liverpool, with Canadian mails, coming from Baltimore, met with fearful weather. Her cargo shifted, causing a heavy list. The cargo is being adjusted here.

Queen Victoria stays a night in Paris on her way to Italy, to receive President Carnot.

The Spanish Government has ordered from England a camp equipage and hospital stores for twenty-five thousand men.

Senator Hoar has introduced a resolution in the Senate at Washington, opening negotiations with England and Canada to make the Welland Canal free, and to construct a free ship canal from the Bay of Fundy to the St. Lawrence, also freedom of the Panama and Suez Canal.

FROM CAPE RACE.

(Special to the Evening Telegram.)

CAPE RACE, This Evening.

Wind southwest, blowing a fresh breeze and weather dull. The brigantine "Adamantine" passed inward at 2.15 p.m. yesterday.
