Price 40c yd. up.

These Goods arrived a little late for summer trade and  
we have decided to clear them at reduced prices.

CALL EARLY.

**HENDERSON'S - Theatre Hill.**

Why should I buy a roofing that  
needs to be painted every lit-  
tle while to keep it tight,  
when, for the same money or less, I  
can buy AMATITE which needs no  
painting?

The outer surface is composed of  
real mineral matter, which makes  
painting unnecessary.

With an Amatite Roof on your  
building you and your roofing trou-  
bles. When you buy a roofing that  
requires frequent painting you begin  
them.

Smooth roofings that require paint-  
ing are a nuisance and an expense.  
When you buy them, you buy trouble  
—not protection.

**FREE SAMPLE**

We should be glad to send you  
this sample and booklet immediately.

**Newfoundland Produce Co.,  
Limited.** Late Duder's Premises.

Why  
"Paisley Flour"  
marks an advance in  
home baking.

It eliminates the time and trouble taken when  
using yeast.

Takes away the uncertainty of ordinary  
baking powder.

It is always fresh and pure, and retains its  
raising power very much longer than self-raising  
flour and cake mixtures.

It gives improved results in lightness, fineness  
and digestibility.

**"Paisley Flour"**  
The SURE raising powder.

—is mixed one part to eight of ordinary flour.

"Paisley Flour" is packed in 22c, 14c, and 5c  
tins. The 22c tin contains 14 ozs. and will  
raise half a stone of flour, the 14c tin contains  
7 ozs. and will raise 3 1/2 pounds  
of flour, the 5c tin contains 2 ozs.  
and will raise 1 pound of flour.

See Window for full particulars.
