Bronze Motor Boat Propellers.

Our Bronze Propellers are designed to the true screw principle. They have large blade areas, and are therefore particularly efficient in attaining the highest speed and also give the Best Results when used in connection with heavy duty Engines, such as are now in use all around our coast.

Get Catalogue and Prices from our Water Street Stores Department.

Are You a Stenographer?

If you are a Stenographer, this will appeal to you, for it tells of DICK'S SPECIAL, the best Typewriter Ribbon to be had anywhere at any price.

They sell at only 60c. each, \$6.00 per dozen (not less than half a dozen sold at the dozen price). For three years we have been experimenting with Typewriter Ribbons, and during that time we have tested some dozens of different makes; but of none of them we have been so absolutely sure that we would guarantee them. At last we have found a Ribbon that has stood our most severe test. We have had one of them in use on our own typewriter for over three months, and the copies now are as clean and as clear as they were when first we began to use it. It is Non-Filling, Non-Fading, and Non-Drying; only the finest fabrics and the brightest colors have been used, so that it makes Sharp Writing, Solid Prints and Strong Copies.

We have them in Purple Record and Purple Copying, in Black Record and Black Copying, in Red Record and Red Copying; and we have them for Underwoods, Oliviers, L. C. Smith's, Remingtons, Smith-Premier, Empire, Fox, Densmore, Bar Lock, Hammond, New Century, and all the other Machines used in the city and outports.

BUY Made-in-Newfoundland GOODS!

"The demand to-morrow all over Newfoundland for Local-made goods would change, as if by magic, the present depression into immediate prosperity."

Carry this thought around with you during 1915. Practice its teachings and watch the result. Give first consideration to the products of your home community.
