**Who Who's
AND WHY IN NEWFOUND-
LAND AND CANADA—
1919-20.**

"Who's Who and Why" is designed to provide a record of the men and women who in one capacity or another are contributing to the building up of Canada and Newfoundland.

In the brief account of their career in these pages their relation is shown to the outstanding events of the history of the sister dominions, and the book, therefore, has a value for the historian quite beyond its use as a current work of reference. Included also are portraits of persons dealt with in the biographical sketches, thus adding to the permanent value of the book. Only a few copies on sale.
