RID-JID

ASK to see our Rid-Jid Ironing Tables. See how efficiently they work—how easily they open and fold up—how light they are to handle and, best of all, how perfectly balanced and absolutely steady they are while ironing. The Rid-Jid lives up to its name—it neither bends, warbles nor creaks. You can sit on the end and it won't even tilt, much less give way. Just come in and look at it. We know you'll be delighted.
