Friday, 25th, "Stock Breeder's Day." Grand parade of live stock.
The following comment we copy from the ADVERTISER: The great attraction to the left on entering the main building is the display of W. S. Bryers Barkwell, consisting of those fragrant and lasting perfumes, Fedora and Winona Bouquet, the great sensations. Here hundreds of lodies may be seen to throng around that center with their handkerchief's extended to the Spiay of the atomizer till they are almost saturated. Then they pass on sweetly smilling at being the happy possessor of those popular odors for which Mr. Barkwell received first prize at the Provincial Exhibition and so completely filled the Crystal Palace to the great admiration of all. Surrounding those are toilet articles and pharmaceutical preparations, all of which are most harmoniously arranged in every particular and contained in an inclosed case on either side of which is to be seen elegant show bottles towering to great height and containing liquids of various, bright and beautiful colors, but we would not do Mr. Barkwell school and particular, and especially our readers, justice if we failed to mention Barkwell's Sure Corn Cure and Barkwell's Bronchial Balsam. They are well known and reliable articles, which he sends to all parts of the Province, and in addition to the Jabove Mr. Barkwell controls all the late Messrs. Harkness & Co.'s valuable prenarations, such as "Harkness & Co.'s valuable prenarations."

Shortage of 200,000,000 Bushels in Wheat and Rye.

It is estimated that 500,000 bushels of wheat will be shipped from Deloraine, Man., this fall. It is anticipated there will be over 500,000 bushels of first-class wheat exported from the Antler district, including the territory up to Moose Mountain. So far the yields have been heavier than was expected, and the surplus for export should reach 20,000,000 bushels, probably more, if it could be saved without the waste which appears inevitable in Manitoba. —The Pearl of Pekin Comic Opera Com-pany passed through the city Sunday night on their way to Toledo.

-The Little Tycoon Company passed through the city Sunday afternoon on the 4:30 G. T. R. express. The German who jumped from a G. T. R. train Thursday was disharged by Judge Davis Saturday. He had been charged with insanity.

—F. Goodhue, of this city, sailed from New York on Saturday for France. He has been visiting his mother, Mrs. Charles Goodhue, South London.

Accepting the largest estimates of production both home and abroad, and even assuming that the United States and Canada can export 225,000,000 bushels, the American Agriculturist still finds a deficit in the world's food supply of at least 200,000,000 bushels of wheat and rye, with the possibility of the shortage being twice as great. Added to this is the almost total failure of the potato crop in Ireland, and a serious curtailment in the yield of potatoes on the continent. —Mr. J. D. McIlwain, of the G. T. R. car works, this city, left Sunday for Wheeling, Va., to accompany home Mrs. McIlwain, who has been visiting relatives there. there.

—John T. Allen, of Greely, Iowa, brother of Detective Allen, of this city, was married a few days ago to Miss Mary E. Smith, of Alvinston, Ont., at Osborne,

—W. H. Sells, manufacturer of elder machinery, Toronto, was seriously injured Sunday night by falling through a trap door on the eve of his departure for the Western Fair, where he is an exhibitor.

The fire laddies of No. 3 station are happy now. The second horse for their reel arrived Saturday evening and it is a fine gray, weighing 1,285 pounds and cost \$145. It was purchased through E. O. —On Saturday evening a number of the members of the late choir of the Elizabeth Street Methodist Church visited the residence of Mr. Arthur Allen, Maitland street, who for the past two years has been organist and choir leader of that church, and presented him with an address and conductor's baton. Miss Allen, who was the leading soprano of the choir, was also presented with a fine bouquet of flowers, Miss Long read the address and Miss Crocker made the presentation. Mr. and Miss Allen expressed their thanks like the majority of people would under the circumstances. The visitors amused themselves with games and refreshments for some time, returning home at a seasonable hour, after exchanging good wishes with their hosts.

—St. James' Church, South London, was packed Sunday night, the Bishop of Huron preaching. He chose as his text the epistle of Paul to the Romans, v., 1: "Therefore being justified by faith, we have peace with God through our Lord Jesus Christ," and delivered a powerful discourse which rivited the attention of the large congregation to the finish. The choir was unusually strong and the music excellent under the direction of Mr. Evans. During the offertory Miss Gleeson, of Detroit (formerly of this city), sang "Glory to God" (O, Salutaris). The lady's voice has developed wonderfully since going to Detroit, and is now one of the richest and purest sopranos, and under excellent ontrol.
