remind us of a caravan of empty wagons going down hill—the lighter the load the more noise they make. Our craft is heavily loaded with SPRING and SUMMER MILLIN-ERY, DRYGOODS and FANCY GOODS, gathered from all parts of the world, and glides along the BAY OF PUBLIC FAVOR as noiselessly as a sail boat on smooth water. There is no friction here—everything is in harmony with the people's wants, taste, fancy and fortune. Be that fortune large or small you will find what you want here.

There Is No Mystery

about our success as milliners. We have the newest shapes, use only the best materials and note the appearance of every new creation. Our styles are the styles of the very best. We can satisfy the most critical taste of the most particular lady. And as to prices—we think it is pretty well admitted that MILLINERY in TRIMMED and UNTRIMMED HATS have never been sold before at such prices as we have sold them this season. This accounts for the biggest Millinery season's business we have ever had, and is still

Her aged mother, who had been tenderly cared and trade is still moderate in amount. and since that the young lady had been in failing health, doubtless due to grief at her mother's death. No other eason can be assigned for the rash act. She left a note, saying that she had gone along the river, and that it was all her own fault. No inquest Burning of the Large Grain Elewill be held.

A WARNING TO BONDSMEN. J. Cowans was to have appeared in bail. Judge MacDougall sentenced Dillon to 30 days' imprisonment. This that there had been some misunderleave town. On learning this, Judge sociation has been called for Brantford MacDougall cancelled the sentence on for May 21. Dillon, and imposed the fine of \$50, with ten days to pay it in.

SERIOUS CHARGE AGAINST A MOTHER.

May 13 she did threaten to poison her daughter, Lily McCarthy, a child between 6 and 7 years of age, and that the complainant believed daily trips, carrying passengers and that the complainant believed that she would put her threat into freight. execution. The couple have four chilexecution. The couple have four children, the oldest a girl of 16 years. He alleges that his wife has been acting in a disorderly manner. Being informed of his wife's conduct, and that she f his wife's conduct, and that she \$150,000. nad made an engagement with anther woman and two men for last uesday night, he determined to learn he truth, and left on his train that morning as usual. He was not expected back till Thursday, but he oubled back the same day, and on uesday night, with his 16-year-old laughter, drove out and found his wife and another woman and two men n a country inn, not far east of the He, on that occasion, it is said, roughly handled the whole party. Satisfied of his wife's guilt, he says he will have nothing more to do with her, and wishes to be rid of her and following the example of their mother. Since Tuesday night the mother has had charge of the 6-year-old girl, was finally accepted. Mr. Watt has Lily, and returned with her to the family residence yesterday. Told to leave the place, it is charged that she on June 1. threatened to poison the child, and said she would not live without her. 2. Under regulation 38 of the Educa-The case was enlarged till Monday, the woman being allowed to depart on her own recognizance.

Business Over the Border.

Falling Off in Demand for Staples in the United States.

A Period of Calm-Wool Weaker-Increased Number of Failures.

Bradstreet's Weekly Review says:

The unexpected falling off in the re-

quest for staple goods within a month esults in a period of comparative calm at a time when a general revival in demand had been looked for. Wool is in less demand and is weaker, although tile manufactures. The movement of and the outlook is for further restriction of production. quoted lower, but the most conspicuous changes in prices are those for pig iron and steel billets, which are now nearly all cereals are not the outcome of discoveries or new conditions. The wholesalers report that business consists of filling-in orders, even Chicago not claiming more than to have held its own in the whole of goods distribted. Interior merchants contnue to buy for nearby wants only. Exports of wheat, flour included as wheat, from both coasts of the United States and from Montreal this week, amount to 2,183,875 bushels, as compared with 1,799,000 bushels last week, ago, 2,937,000 bushels in the week two years ago, 2,420,000 bushels three years ago, and as contrasted with 3,885,000 bushels in the like week of 1893. Exports of Indian corn amount to 2,096,-834 bushels, compared with 3,127,000 bushels last week, 1,663,000 bushels in the week a year ago, 1,210,000 bushels in the week two years ago, 1,111,000

********************* THOUGHT

A MAN

HE thought that he could trifle with disease. He was run down in health, felt tired and worn out, complained of dizziness, biliousness, backaches and headaches. His liver and kidneys were out of order. He thought to get well by dosing himself with cheap remedies. And then came the ending. He fell a victim to Bright's disease! The money he ought to have invested in a safe, reliable

is the only standard remedy in the world for kidney and liver complaints. It is the only remedy which physicians universally prescribe. It is the only remedy that is back-ed by the testimony of thousands whom it has relieved s and cured.

THERE IS NOTHING ELSE THAT CAN TAKE ITS PLACE

DEER LEAPED ON AN ENGINE.

Long Island Train Runs Into a Big Herd at Oakdale and Kills Two.

Sayville, L. I., May 14.-A special train running from Long Island City to Patchogue at a late hour crashed into a herd of deer at Oakdale. The anithe County Court, Toronto, on Friday morning on a charge of pocket-picking. James Dillon had gone hall for ed, it is said, up past the cab, and landed in the middle of the coal-laden A number of Leamington store-keepers are closing up at 6 o'clock on Wednesday evenings.

ianded in the middle of the coal-lader tender. The fireman attempted to cap ture it with a heavy fire rake, but be-fore he could reach it the deer made Fish are reported scarce by fishermen a wild jump from the flying engine and which returned to New York the same eat the grass in the fields along the tracks.

A BIT OF HOME REALISM. "No, my dear," said I, with decision, "you will do nothing of the kind."

I was talking to my wife. We had been married a week. . I was 43 and she was 37 or more. A very sensible marrying age, you must admit.

No frummery and frippery. A man knows just what he wants. So does a woman, and knows that she can't always get it.
It is so different with silly girl wives. My wife was no silly girl.

When I had spoken thus my wife looked at me appealingly. Woman's mission is submission. But so many men never discover it. As I said, my wife looked at me in esponse to my decisive remark. "Won't I?" she replied, with a snap

I have been dazzled ever since. That was twenty years ago. I have never had occasion to speak Mr. E. M. Saunders, for several years countant at the Bank of Commerce readily as I did. It isn't every man who has my kind
