SECORD STOCK COMPANY.

Tomorrow night at the London Opera House the Secord Stock Company will produce for the first time in London the new comedy, "The Mail Girl," with Miss Adelaide Flint in the title role. The company will also be further augmented by amateur talent from the city, who appeared in the production "Caste" some time ago. Between the acts specialties will be given, thus making a continuous performance. Miss Flint is well known in this city, and is well adapted to the title role in this play, as she has played for many seasons in some of the best stock companies traveling. SCOTCH

WHISKY

One Minute Interviews.

Collector of Customs Burns - How much anthracite is coming in? Well, since Jan. 19 and up until Feb. 9, that is, within the past three weeks, there have been entered at this port for consumption 315 cars of anthracite coal. A car averages 30 tons, so that means about 9,450 tons have come into this city within those three weeks.

Waterworks Inspector Plastow-The amount of water wasted nowadays is much less than it was some years ago. believe, though, that there will always be a certain number of careless people who will let water be wasted. Taps are in better shape now than they used to be.

Mr. Thomas Gillean-I was much in terested in The Advertiser story about the early days of curling in London. I noticed that that expression "hot Scotch" was used a number of times. Where have I heard that name before? I am sure that I have come across it somewhere. The game must have been very different in those days to what it

MR. DAVIS' RESIGNATION

Deposits Made in Election Protest Cases.

Toronto, Feb. 9.-The resignation Hon. E.J.Davis as member for North York, was received Saturday by Col. Clarke, clerk of the Legislature. This is in accordance, of course, with the previous intimations by Mr. Davis in his addresses before his constituents. The writ for a new election in North York and in Center Bruce as well, The mild weather of the past two where Mr. Hugh Clark, Conservative, Weeks has meant much both for the coal of all kinds is now selling weeks has meant much both for the coal dealer and the citizen. It has saved the former from the past two where Mr. Hugh Clark, Conservative, was unseated, was promptly issued. The date will be Thursday, Feb. 26, has saved the citizen the trouble of North Renfrew, but as the Liberal congoing from office to office begging for vention will be held there on Tuesday coal, if it was only enough to keep it may be expected that the election

Mr. Davis' majority last May was 207, while Mr. Clark's majority was 5. The deposits of \$1,000 to insure the bona fides of the election petitions filed in North Norfolk and North Perth have been made at Osgoode Hall.

HOME FOUND FOR BOERS

Tract of 200,000 Acres Selected by Committee in Texas.

New Orleans, Feb. 9.-Dr. F. W. Reitz, former secretary of the Orange River Free State; Gen. Samuel Pearson and Messrs. Vanderhoogl, Van Blerk and Dalm, members of the Boen committee looking for homes in America for those Boers who are not willing to accept British rule in South Africa, have returned to New Orleans after a thorough examination of various tracts in Louisiana and Texas.

They announce that they have selected a tract of 200,000 acres in Texas This will be cut up into 1,000 farms of 200 acres each. The land is fertile, on a railroad and in a district already populated. Dr. Reitz says that the Boers who come to America will come with the intention of becoming American citi-

zens, and expect to adopt the language and ideas of this country. They have no desire to keep up their racial Mr. Arthur Edward Jones, the new feeling here. Dr. Reitz will sail for South Africa on Feb. 18, by which time all the ar

rangements for transferring the Boers cal services at that edifice on Sunday, to this country will have been com-
