It will present the new spectacular extravaganza entitled "A Sensation in Paradise: or, Curiosity Satisfied," a bright satire on "Around the World in Eighty Days." Among the artists is graceful. Nellle Wilson, the top-boot dancer, is another eard. Then there are Pusey and Lester, Natta, Mile. The Vacant County Judgeship.

It was announced a few days ago that Mr.

Applications were received from every band organization in the city, but by unaninous vote the sub-committee resolved to refuse to consider all but those of the Queen's Own and Grenadiers. This action was forced on the sub-committee by the excruciatingly bad music furnished by some of the bands last summer. If the Parks and Gardens Committee sustain the report of the sub-committee the Queen's Own and Grenadiers will be the only bands to play in the differed parks during the season. It was further recommended that during the National Teachers' convention these two bands play in the Queen's Park and Horticultural Gardens three evenings each.

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa. Mr. Epps has provided our breakfast tables with a delicately ilavored beverage which may save us many heavy doctors' bilis. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of suble maladies are floating around us ready to attack wherever there is a week point. We may escape many a fatal shaft by keeping ourselves well-fortified with pure blood and a properly nourished frame."—Civil Service Guzette.
