

SHARING BOTTLE PROVES COSTLY

Owner of Whisky Pays \$300 Fine At Goderich

TWO STILL NET \$500

Goderich Magistrate Imposes Fines Totaling \$1,100

GODERICH, May 30.—While E. A. Lillow was in the act of sharing up a bottle of liquor yesterday with the clerk of the Bedford Hotel, Gordon Sutcliffe, Provincial Officer Whitesides walked into the barroom unexpectedly

and as a result Lillow paid into the provincial treasury \$300 and costs on a charge laid by Inspector Fellow. At Seaforth to-day Ernest Elligson, of the 13th concession, McKillop Township, pleaded guilty to selling liquor contrary to the O. T. A., and was fined \$300 and costs. This case was the outcome of a recent trial at Stratford, where a young man appeared before the magistrate and swore that he had bought a bottle of liquor from Elligson. Hamilton, of Ashfield Township, was convicted of having a still, and paid a fine of \$200 and costs to the inland revenue department. He also paid \$200 and costs for violating the O. T. A. W. R. Johnson, of Varna, Stanley Township, contributed \$300 and costs to the inland revenue department as a result of the officers finding a still in operation in his house. Johnson, it is alleged, combined the selling of pigs with booze and honey, and did a flourishing business for a time. These cases all came before Police Magistrate C. A. Reid, of Goderich, on information laid by Inspector Fellow.

WEBER MAY RUN AS INDEPENDENT

Prominent Waterloo Manufacturer Being Urged By Friends

ALD. HAGEDORN INSISTENT

Dan Bohlender Would Carry Labor Banner, He Intimates

KITCHENER, May 30.—Indications are that E. O. Weber, Liberal, who was nominated at the independent Liberal convention but withdrew, will be in the coming provincial fight as an independent. Mr. Weber's withdrawal at the convention in Waterloo was a surprise, as it gave the Liberal nomination to N. Aasmussen, the sitting member, without a struggle. Since that time Mr. Weber declared that if the contest was a three-cornered one between Liberal, Labor and Conservative, he would stay out of it, and to date he has not receded from that stand. However, the independent Labor party has decided not to place a candidate in the field and strong pressure is being brought to bear on Mr. Weber to reconsider his decision and to run. The chances are that he will be in the field. He is a prominent Waterloo manufacturer.

Ald. Hagedorn, who was named on the Conservative executive, has notified W. G. Weichel, the Conservative nominee, that he will not act in a statement issued to-day says that a group of representative men are insisting that Mr. Weber enter the field and that he must do so or break with his friends. "We are not dictating to Mr. Weber," said Ald. Hagedorn, "but we insist that he now come into the field." In connection with the political situation, Dan Bohlender, former mayor of Waterloo and a member of the Labor party, stated to-day that he thought a

GIRLS' CANADIAN CLUB RE-ELECTS PRESIDENT

Mrs. Freida Stephens in Office For Another Term; Annual Last Night

The re-election by acclamation of Mrs. Freida Stephens to the presidency of the London Girls' Canadian Club was a happy event of the annual meeting, held last night at Lennox. As her executive for the 1922-23 season Mrs. Stephens will have Miss G. Stewart, vice-president; Mrs. A. D. Squire, secretary; Mrs. G. Bugler, treasurer, and as additional members Miss G. Baldwin, Miss F. Roe, Miss M. Douglas, Miss A. Browne, Miss L. Meadows, Miss M. Taylor, Miss P. Hendra, Miss F. Jackson, Miss Phyllis Kennedy, Mrs. Roe and Mrs. Polley. The year closed happily with a social hour and dainty refreshments. Arrangements were made for a "bird hike" on Saturday, when, weather permitting, the members will take a country jaunt in search of bird lore.

LUCASVILLE INSTITUTE ELECTS MRS. LECKIE

Plans for Sewing or Millinery Course Made—Mrs. Watts to Address Summer Meeting

The annual meeting of the Lucasville Women's Institute was held at the home of Mrs. J. McLennan, where the following officers were elected: President, Mrs. George Leckie, by acclamation; first vice-president, Mrs. Percy Shaw; second vice-president, Mildred Leckie; secretary treasurer, Mrs. George Milliken; press secretary, Mrs. E. Leckie; organist, Mrs. P. Shaw; directors and program committee, Mrs. G. Leckie, Mrs. J. McLennan, Mrs. O. K. Milliken; district representative, Mrs. A. L. Hoesle; flower committee, Mrs. H. Cole, Mrs. O. K. Milliken; convener of athletic club, Mrs. Tom Murray; assistants, Margaret Forester, Magie Leggett. It was unanimously decided that the secretary write to the department in regard to getting an instructor for the 10-day course in either sewing or millinery. As the preference was for holding the course in the summer months, it was decided to take whichever course an instructor would be available for first. Arrangements were made for the summer meeting to be held the first Tuesday in June at the home of Mrs. Charlie Hoesle. The speaker will be Mrs. P. W. Watts, of Toronto. Her subjects are "Help for the Home," "Home Beautification," "Conservation of Fruits," "Health and Happiness," "Community Life in Rural Districts," and "First Things First in Institute Work."

INSTITUTE CARES FOR 48 BLIND LONDONERS

Big Tag Day Saturday for Great National Cause.

Added interest to the I.O.D.E. tag day for the National Institute for the Blind, to be conducted here on Saturday, is given by recent information reaching London from Mrs. Adams, of Toronto, who began the institute work in Canada. Mrs. J. I. A. Hunt, of this city, visiting the Caledon Club last week, met Mrs. Adams, and as a result of conversation with her returned to London full of enthusiasm for the splendid work carried on by the institute throughout the Dominion. Some \$5,000 is spent annually in the educational care of 48 blind citizens of London, according to Mrs. Adams. These receive instruction from the institute through a resident teacher in this city, but in spite of this definite contribution from London has been made to the institute. Until the institute began its noble service of hope, bringing interest, occupation and independence into the lives of the blind, no blind persons of the community over 18 years of age were trained to be even partially self-supporting. But under the system of the National Institute independence is achieved for those afflicted by blindness in the production of salable goods, marketed in Toronto, but made by the blind people of Canada all the way from Halifax to Vancouver. Scores of I.O.D.E. members and other interested London women will be in charge of the tagging on Saturday, thoroughly patrolling the streets of the city and giving to each citizen an opportunity of making his contribution to a national cause.

MOTHERS ARE FETED BY ST. MATTHEW'S GIRLS

They white of apple blooms, glowing tulips and fragrant roses carried out a delightful color motif at the Sunday school of St. Matthew's Church this week, when the Comrades Bible Class entertained their mothers at an enjoyable banquet. Lattices of rose and white surrounded the tables, where covers were laid for between 50 and 60 guests, including the special visitors of the evening, Rev. Thomas Charlton and Mrs. Charlton, Rev. H. B. Ashby and Mrs. Ashby (of Windsor), Mr. and Mrs. Richard Harvey, Mr. and Mrs. J. Hitchens, Miss M. Hornby and Miss Ena Thirk. Dainty hand-painted place cards carried out in white and rose and gay white basket as individual favors were artistically arranged with festoons of red and white, knotted with apple blossoms, adding a pretty touch. THE TOAST LIST. A winsome toast mistress was Miss Helen Stoddard, president of the class, and an additional welcome was given to the mothers by Mrs. M. E. Cooke, the teacher. The program included toasts to "The King," to "The Church," with Rev. H. B. Ashby replying; to "Our Guests," responded to by Mrs. T. Beer; "Our Leaders," with Mrs. Cooke responding; "The Class," proposed by Mrs. Draper and replied to by Mary Last, and a clever series of musical numbers. Solos by Miss McMillan and Miss Winifred Parker; piano solos by Miss Stella Draper; a class chorus and a bright little sketch, "The Way," also presented by the class, made up a delightful entertainment, at the conclusion of which mothers joined with their daughters in folk dances and games.

ADVANCE IN COAL PRICES

BROCKVILLE, May 30.—All grades of anthracite coal advanced in price here to-day to \$16.50 per ton, an increase of 50c due to an increase of 20c at the mines and a 2 1/2 per cent. exchange rate, which was not in effect when purchases were made by local dealers last fall. Bituminous coal of all grades was reduced \$2 per ton.
