BANISH PIMPLES AND ERUPTIONS

In the Spring Most People Need a Tonic Medicine.

If you want the best of health and new strength in the spring you must build up your blood with a tonic medicine. Following the long, in-door winter months most people feel depressed and easily tired. This means that the blood is impure and watery. It is this state of the blood that causes pimples and unsightly eruptions. To this same condition is due attacks of rheumatism and lumbago; sharp, stabbing pains of sciatica and neuralgia; poor appetite, frequent headaches and a desire to avoid exertion. You cannot cure these troubles by the use of purgative medicines—you need a tonic only, and among all medicines there is none can equal Dr. Williams' Pink Pills for their tonic, life-giving, nerve-restoring powers. Every dose of this medicine makes new, rich, blood which drives out impurities, stimulates every organ and brings a feeling of new health and energy to weak, tired out, ailing men, women and children. If you are feeling out of sorts give this medicine a trial and see how quickly it will restore the appetite, revive drooping spirits and fill your veins with new, health-giving blood. Dr. Williams' Pink Pills are sold by all dealers in medicine or will be sent by mail at 50 cents a box or six boxes for \$2.50 by addressing The Dr. Williams' Medicine Co., Brockville, Ont.
