Hansford—Chappel

A very quiet wedding was solemnized at the Baptist parsonage, on May 30th, when Blanche, second daughter of Mr. and Mrs. Wm. Chappel of Inwood, was united in marriage to Mr. Arlington J. Hansford of Woodstock. The bride looked charming in a gown of white chiffon trimmed with pearls. After the ceremony the happy couple returned to the bride's home where they partook of a dainty wedding breakfast, after which they motored to Alvinston where they took the train for Detroit and points west.

County Council

The June session of the County Council opened at the court house here on Monday afternoon, Warden W. G. Hall in the chair. Warden Hall in opening the session gave a short address of welcome and outlined some of the work there was for the council to dispose of throughout the week. Chief among the notices given were that dealings of importance would be considered in regard to good roads and also that hydro power for some of the townships would be discussed.
A communication was read from Col. T. P. Bradley, of the 149th Battalion, asking for a further grant of \$1,200 as the county's share with which to meet current expenses to the amount of \$4,000. The communication gave details of what was needed, and statements to the effect that the \$3,000 which was granted at the last session of the council had all been used.

Hugh Black, a former resident of Bridgeton, died at his house in Memphis, Arkansas, last week from blood poisoning, caused by biting his tongue while eating his dinner a few days previous. The remains were brought to Bridgeton for burial.

Urgent Appeal for Economy

London, June 5.—The National War Savings Committee has issued another extremely urgent appeal to the nation, especially to the wealthier classes, to observe the strictest economy, pointing out the "appalling responsibility" of prolonging the war by indulgence in luxury. The committee especially refers to the question of motor cars and petrol.

For years Mother Graves' Worm exterminator has ranked as the most effective preparation manufactured, and it always maintains its reputation.

NOTED MUSICIAN OF MONTREAL

Advices The Use Of "FRUIT-A-TIVES",
The Famous Fruit Medicine.

MR. ROSENBERG
589 Casgrain St., Montreal.

April 20th, 1915.

"In my opinion, no other medicine in the world is so curative for Constipation and Indigestion as 'Fruit-a-tives'. I was a sufferer from these complaints for five years, and my sedentary occupation, music, brought about a kind of Intestinal Paralysis—with nasty headaches, belching gas, drowsiness after eating, and Pain in the Back. I tried pills and medicines of physicians, but nothing helped me. Then I was induced to try 'Fruit-a-tives', and now for six months I have been entirely well.

I advise any one who suffers from that horrible trouble—Chronic Constipation with the resultant indigestion, to try 'Fruit-a-tives', and you will be agreeably surprised at the great benefit you will receive". A. ROSENBERG.
