The Oil of the People.—Many oils have come and gone, but Dr. Thomas' Electric Oil continues to maintain its position and increase its sphere of usefulness each year. Its sterling qualities have brought it to the front and kept it there, and it can truly be called the oil of the people. Thousands have benefited by it and would use no other preparation.

BABY'S OWN TABLETS AN EXCELLENT REMEDY

When the baby is ill—when he is constipated, has indigestion; colic; colds or simple fevers or any of the other many minor ills of little ones—the mother will find Baby's Own Tablets an excellent remedy. They regulate the stomach and bowels, thus banishing the cause of most of the ills of childhood. Concerning them Mrs. E. D. Dugway, Thunder River, Que., says:—"My baby was a great sufferer from colic and cried continually. I began giving him Baby's Own Tablets and the relief was wonderful. I now always keep a supply of the Tablets in the house." The Tablets are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams' Medicine Co., Brockville, Ont.

New Lamp Burns 94 Percent. Air

BEATS ELECTRIC OR GAS
A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94% air and 6% common kerosene (coal oil). The inventor, F. N. Johnson, 246 Craig St. W., Montreal, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him to-day for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.

RHEUMATIC SUFFERERS May Obtain Relief by Enriching the Blood Supply

In the days of our fathers and grand fathers, rheumatism was thought to be the unavoidable penalty of middle life and old age. Almost every elderly person had rheumatism as well as many young people. It was thought that rheumatism was the mere effect of exposure to cold and damp, and it was treated with liniments and hot applications, which sometimes gave temporary relief, but did not remove the trouble. In these days there were many cripples. Now medical science understands that rheumatism is a disease of the blood, and that with good, rich red blood any man or woman of any age can defy rheumatism. There are many elderly people who have never felt a twinge of rheumatism, and many who have conquered it by simply keeping their blood rich and pure. The blood enriching qualities of Dr. Williams' Pink Pills is becoming every year more widely known, and the more general use of these pills has robbed rheumatism of its terror. At the first sign of poor blood, which is shown by loss of appetite, dull skin and dim eyes, protect yourself against further ravages of disease by taking Dr. Williams' Pink Pills. They have helped thousands—if you give them a fair trial they will not disappoint you.

You can get these pills through any dealer in medicine or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
