AYER'S PILLS.

FOR ALL THE PURPOSES OF A FAMILY PHYSIC.

There has long existed a public demand for an effective purgative pill which could be relied on as safe and perfectly safe in its operation. This has been prepared to meet that demand, and an efficient trial of its virtues has conclusively shown with what success it accomplishes the purpose designed. It is easy to make a physical pill, but not easy to make the best of all pills—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient, however, that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and tension in the system as to more than counterbalance the good to be derived from them. These pills produce no irritation or pain, and are given on the best. Among the complaints which have been specifically cured by them, we may mention Liver Complaint, its various forms of Jaundice, Indigestion, Langour and Loss of Appetite, Headaches, Irritability, Bilious Headache, Bilious Fever, Fever and Ague, Pain in the Side and Loins, for, in truth, all these are but the result of diseased action in the liver. As an aperient, they afford prompt and sure relief in Constipation, Piles, Colic, Dysentery, Hemorrhoids, Scour, and Scoury Colic with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is required.

They have also produced some singularly successful cures in Rheumatism, Gout, Dropsy, Gravel, Syphilis, Palpitation of the Heart, Pains in the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood and prepare the system for the change of seasons. An occasional dose stimulates the stomach and bowels into healthy action, and restores the appetite and vigor. They purify the blood, and by their stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is advantageous, even though no serious derangement exists; but unnecessary dosing should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousand cases in which a physic is required cannot be enumerated here, but they suggest themselves to the reason of every body; and it is confidently believed this pill will answer a better purpose than any thing which has hitherto been available to mankind. When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine.

CHERRY PECTORAL.

For the rapid Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

We invite the attention of the public to the Certificates appended below, and bespeak for them that candid consideration which their honest frankness deserves.

Jackson C. H., Jackson City, O., 29th Nov. '52

Dr. J. C. Ayer—Sir, The Cherry Pectoral is much inquired after. Several of our best Physicians have used it, three of them in their own case, and always with the happiest effects. The numerous patent medicines I have before them, lead to credulity in regard to every new remedy; and it is only after undoubted evidence of value in any article, that any thing like a general confidence can be excited.

The unrivalled excellence of this combination of agents (in the Cherry Pectoral) proved beyond cavil by repeated trial and their own observation, has compelled medical men to proclaim its usefulness. Its beyond all doubt the best general remedy we have for Pulmonary Affections of this climate, at the same time sedative and expectorant—a rare combination of properties.

In the hope that it will prove its own reward, I subscribe myself,

Yours truly, JAS. H. C. MULLER, M. D.

Allegan Mich. 19th Jan. 1853.

DEAR SIR,—No one, no, not one man, woman or child—can be found to deny that the Cherry Pectoral is all that it claims to be. I have used it in this vicinity, although not known until recently. The community should know its virtues.
