GRANVILLE FERRY

Mrs. McLeod, of P. E. I. is now with Mrs. Sam McCormick. Miss Laura Hardy is home on vacation from Sackville College. Mrs. A. J. Mortimer was in Bridgetown on Tuesday, returning by the "Owl". Mrs. E. R. Reed is in Montreal to be present at her daughter Jeanne's graduation at McGill College. Miss Nellie Gilliat is staying with her parents, Mr. and Mrs. Lawson Gilliat, for the summer, we understand. The cherry trees are in full bloom, but there seems to be very little promise of many apples. Lots of trees having no blossoms visible. Mr. Ed. Caswell, from St. John is home with his sisters for a few days and Miss Inella Longmire, of Hillsburn, is also visiting Misses Hess and Nettie Caswell. Several people have expressed the opinion that it would be a great boon to mankind, if the numerous hens now wandering in various gardens could be persuaded to stay on their respective premises, as many gardens are now being planted. Hence, to say nothing of roosters, seem to take an unholy delight in visiting their neighbors. Mr. and Mrs. G. Snow and children have moved from Lower Granville into Reid Blair's house this week and the H. & S. W. Station house is now occupied by Mr. and Mrs. Fred Ramsey and family from Port Wade. It has been a serious inconvenience to the public to have no one at the station to supervise freight etc. so now we shall all feel reassured, that our parcels may be delivered in our own side of the river once more.

MELVERN SQUARE

Mrs. Frank East recently visited friends at Annapolis Royal. Mr. Burnis Hatt is improving his house with a coat of paint. Mrs. William Gates is spending a few weeks with friends in Boston. Quite a number from here attended the races at Aylesford on Victoria Day. Mr. Forest McNeil is spending a few days at the home of his parents here. Another June wedding for Melvern so it is reported of which we will learn more later. Mrs. Blanche Martin entertained a few friends from Bridgetown, on Sunday, May 23rd. Mr. Smith occupied the Baptist pulpit in this place on Sabbath, May 16th and the Rev. Ritchie Elliott on Sabbath evening May 23rd as Melvern is still without a regular pastor. Mr. Wallace Bennet, who has made his home with Mr. and Mrs. John Masters, since his return from overseas left a short time ago for Connecticut, where he has accepted a good position. Fishing parties to the "South Lakes" are the order of the day, quite a number from Melvern participating in the sport during the past two weeks, but we have not as yet heard any big "fish stories" from the sportsmen. A few days ago friends in this place received news of the birth of a daughter, to Mr. and Mrs. Fred Gilliat, of Annapolis Royal. Mrs. Gilliat was formerly Miss Hortense Spurr, of Melvern Square, and her many friends join in congratulations. A school examination and entertainment was held in the Hall on Friday evening, May 21st, by the pupils of the Melvern school, of which Miss Powell is Principal and Miss Vera Palmer primary teacher. The examination was close and thorough, reflecting great credit upon the efficiency of both teachers and upon the students, as well as it is much to be regretted that the present staff of teachers cannot be retained for the coming year, but we understand there is to be a change made in that direction.

GO THERE FIRST

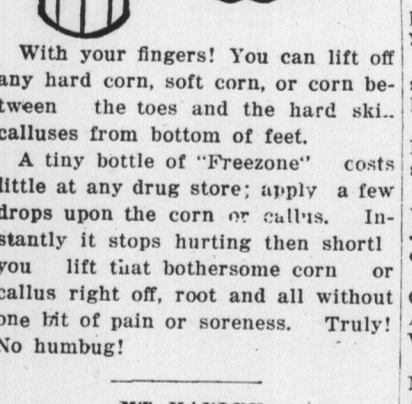

The lovely girl, having lingered a minute in her room to adjust her transformation, change the angle of her Grecian hand and make sure that her skirt fitted like the peeling of a plum, descended to the parlor to find the family pet encased upon the knee of the young man caller, her curly head nestled comfortably against his shoulder. "Why, Mabel!" the young lady exclaimed, "aren't you ashamed of yourself? Get right down." "Shan't do it," retorted the child, "I got here first."

Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents. With your fingers! You can lift off any hard corn, soft corn, or corn between the toes and the hard skin, calluses from bottom of feet. A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. NEURALGIA AND SCIATICA

Caused by Starved Nerves Due to Weak Watery Blood. People generally think of neuralgia as a pain in the head or face, but neuralgia may affect any nerve of the body. Different names are given to it when it affects certain nerves. Thus neuralgia of the sciatic nerve is called sciatica, but the character of the pain and the nature of the disease is the same. The cause is the same, and the remedy to be effective, must be the same. The path of neuralgia, whether it takes the form of sciatica, or whether it affects the face and head, is caused by starved nerves. The blood which normally carries nourishment to the nerves, for some reason no longer does so and the excruciating pain you feel is the cry of the starved nerves for food. The reason why the blood fails to properly nourish the nerves, is usually because the blood itself is weak and thin. When you build up the thin blood with Dr. Williams Pink Pills, you are attacking neuralgia, sciatica and kindred disease at the root. As proof of the value of these pills in cases of this kind we give the statement of Mrs. Thomas McGuire, North Malden, Ont. who says: "I have been a severe sufferer from sciatica, which attacked the sciatic nerve in the left leg. At times the pain was most excruciating and as a result of the trouble there was a distinct shrivelling of the leg. I could only hobble about by using a cane, and if I attempted to walk to the fields I would have to sit down every little while to ease the agony I felt. I was under medical treatment, but as there was no improvement shown, I was getting very despondent, as the trouble was affecting my general health. Finally a friend advised me to try Dr. Williams Pink Pills and I decided to do so. I took the pills faithfully for several months, finding a gradual and increasing improvement in my case, until finally every vestige of the trouble had gone, and I was again enjoying the blessing of good health and freedom from pain. What Dr. Williams Pink Pills did for me seems almost a miracle and I hope that my experience may benefit some other sufferer." If you are suffering from any ailment due to weak blood avail yourself at once of the splendid home treatment which Dr. Williams Pink Pills so easily afford, and you will be among those who rejoice in regained health. These pills are sold by all dealers in medicine, or may be had by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams Medicine Co., Brockville Ont.

"Whenever a person operating a motor vehicle meets a funeral procession he shall stop his vehicle, including the motor, and in no case shall he attempt to pass through such procession."

As the electric telegraph was an advance over previous methods of communication, so is "TIP TOP TEA" an advance in quality over all other teas.

HAS NO PAIN NOW

What Lydia E. Pinkham's Vegetable Compound Did for Mrs. Peasey of London.

London, Ont.—"I suffered with periodic pains, was weak and run down, could not eat and had headaches. The pains so bad I sometimes thought I would go crazy and I seemed to be smothering. I was in this condition for two or three years and could not seem to work. I tried all kinds of remedies and had been treated by physicians, but received no benefit. I found one of your booklets and felt inclined to try Lydia E. Pinkham's Vegetable Compound. I received the best results from it, and now I keep house and go out to work and am like a new woman. I have recommended your Vegetable Compound to my friends, and if these facts will help some poor woman use them as you please."—Mrs. J. F. PEASEY, 200 Rectory Street, London, Ont. The reason women write such letters to the Lydia E. Pinkham Medicine Co. are that they are helped by it. Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives. Freed from their illness they want to pass the good news along to other suffering women that they also may be relieved. If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co., Lynn, Mass.
