

Which will you use ?

ILO

The most uniform, reliable and most popular paper made.

Cabinets, \$1.80 per gross.

ATLAS

A very superior article for general work. Manipulation very simple. Results most excellent.

Cabinets, \$1.50 per gross.

ILO-MATT

Gives better results than platinum or carbon, with less work and no waste.

Cabinets, \$2.00 per gross.

I RECOMMEND all of the above, and carry a full supply of fresh stock.
