INSURES ONLY PRIVATE RESIDENCES, HOUSEHOLD FURNITURE AND FARM PROPERTIES.

The Agricultural makes a speciality of insuring Farm properties, having introduced the system of issuing policies for one, two and three years, so that the Farmer may not have the trouble and responsibility of renewing his policy each year.

The Agricultural does a strictly non hazardous business, and will not insure stocks in trade, public building, or manufactories of any kind, is thereby enabled to insure private residences and farm properties at exceedingly low rates. For instance—a barn worth, say \$500, may be insured for \$400, for the term of three years, on payment of one premium of \$8, being only 2 per cent. for three years. Farm stock of all kinds insured at the same rate. Farmers protect yourselves and families by insuring.
