"Among good books for devotional or practical religious use we may mention with commendation 'Walks About Zion,' a service of brief interesting and practical addresses on religious topics."—*New York Independent.*

"These addresses are brief, pointed, eminently practical. Mr. Elliot is well known in his community as an accomplished expounder of the Word of God, and with the gift of saying much in little, such meaning, few words. This is the characteristic of these addresses which are most cordially commended to the thoughtful reader. We confess to be rejoiced by these brief and terse discourses of our dear old favourite, John Foster."—*Presbyterian (Halifax) Witness.*

"Clear in thought, correct in expression, and cogent in argument and appeal."—*Halifax Chronicle.*
