A BRIDE'S CONFESSION

"Yes, dear, I am married now, and George and I are keeping house in the loveliest flat on 64th St. Well, yes, we did get married somewhat suddenly. My health, you know, had for some time been very delicate, and Dr. Heavy-fee told mamma that he feared I would never be well again. Three years ago from a wasting disease. Dear George was almost crazy when mamma told him what the doctor said, and I nearly cried my eyes out, but one day I overheard that 'hateful Nelly Parker' say to her mother, 'I think that George Blauvelt is just too lovely for anything, and when the girl he's engaged to dies, and they say she is dying of a galloping consumption, I'm going to step in to her shoes and become Mrs. George Blauvelt; now just you wait and see.' This spring I noticed George seemed to be altogether changed to the idea that we should never be married, and he thought that that despicable hussy might get his end all nearly drove me crazy. One day I read the testimony of Lawyers Howe and Hummel as to the wonderfully invigorating effect of DR. CAMPBELL'S ARSENIC WAFERS, and I resolved to try what they would do for me. I commenced their use on the 4th of July. George had just called for Zupp on business for his firm. On Sept. 18 he returned. I was, from the use of the Wafers, by that time again a well woman, and so enraptured was he with my healthy and robust appearance that he insisted we get married the very next day. I could not say him nay, and, as you will see by my card, I am now Mrs. George Blauvelt. Do call soon and let me introduce George to you; I am sure you will like him, he is so handsome, and as good as he is handsome. Good-by, be sure not to forget."

THE KEY OF ALGIERS!

The SHAH OF PERSIA and the SULTANS OF TURKEY and MOROCCO now FATTEN and BEAUTIFY their harems exclusively by DR. CAMPBELL'S ARSENIC COMPLEXION WAFERS. So great is the demand for these marvelous Wafers that their manufacture is continued day and night.

"The Shah found his harem in a state of disorder on his return to Persia."—N. Y. World, Oct. 12, 1888. Reason—Their supply of CAMPBELL'S WAFERS was exhausted!

ILLUSTRATION of the desirability of a certain amount of Plumpness, rumour has it that the above distinguished Oriental Potentates make it a practice to weigh their wives regularly once a month, precedence in rank and imperial favour being accorded to the wife possessed of the greatest number of pounds avoirdupois.

Coughs, Colds, Croup.

Allen's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectoration and causes the Lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect that it is warranted to break up the most distressing cough in a few hours' time, if not of too long standing. It contains no opium in any form and is warranted to be perfectly harmless to the most delicate child. There is no real necessity for so many deaths by consumption when Allen's Lung Balsam will prevent it if only taken in time. For Consumption, and all diseases that lead to it, such as Coughs, neglected Colds, Bronchitis, Asthma and all diseases of the Lungs, ALLEN'S LUNG BALSAM is the Great Modern Remedy. For Croup and Whooping Cough it is almost a specific. It is an old standard remedy, and sold universally at 50 cents and \$1.00 per bottle. The 25-cent bottles are put out to answer the constant call for a Good and Low-Priced COUGH CURE. If you have not tried the Balsam, call for a 25-cent bottle to test it.

AYER'S PILLS.

AYER'S act directly on the digestive APILLS organs, promoting a healthful action, imparting strength, and eradicating disease. These Pills contain no mercury, or other dangerous drug. For the past two years I was troubled, constantly, with pain in the side and back. My stomach was also in a disordered condition. After taking many remedies, without relief, I tried Ayer's Pills, by the use of which, for only a few weeks, I was cured.—T. T. Sampson, Winona, Minn.

AYER'S are far superior, as cathartics, to any that are furnished by the pharmacopoeia.—Geo. P. Spencer, M. D., Unity, N. H. I have taken Ayer's Pills for twenty years, and am satisfied that, had it not been for them, I should not now be alive. By their use I have been enabled to avoid the bilious diseases peculiar to this climate.—M. Johnson, Monterey, Mexico.

AYER'S have been used in my family APILLS for over thirty years. We find them an excellent medicine in fevers, eruptive diseases, and all bilious troubles, and seldom call a physician. They are almost the only pills used in our neighborhood, and never fail to give perfect satisfaction.—Redmond C. Conly, Row Landing, W. Feliciana Parish, La.

AYER'S are sugar-coated, safe and APILLS pleasant to take, prompt in their action, and invaluable for the relief and cure of Headache and Constipation. For several months I suffered from Headache, without being able to remove the trouble by medical treatment. I finally began taking Ayer's Pills, determined to give them a fair trial. They benefited me very much, and speedily effected a complete cure.—Mrs. Mary Gaymond, Flint Village, Fall River, Mass.

AYER'S cured me of Dyspepsia after APILLS I had given up all hope of being well again. I was sick for a number of years with this complaint, suffering also from Headache, Dizziness, Loss of Appetite, Indigestion, and Debility, and was unable to work. Ayer's Pills were recommended to me. I took them, and, in one month, was completely cured.—Roland L. Larkin, Harlem, N. Y.

AYER'S are a sure cure for Liver APILLS APILLS Complaint. For months I suffered from this disorder, and was, for a long time, under medical treatment for it, but grew worse continually. Nothing seemed to help me until I finally began taking Ayer's Pills. After using four boxes of this medicine, my health was restored.—E. L. Fulton, Hanover, N. H.

Sparkles.

MUCH of the charity that begins at home is too feeble to go a-visiting. A GOOD book is a good friend, so also is the Esterbrook Pen with which the book was written. "How long was Bearson's speech?" "I don't know. I didn't have my gas meter with me."

Asking a man to sit down in a crowded street car has come to be a stand ing joke. Minard's Liniment for rheumatism "SPEECH was given man to conceal his thoughts;" but it was a needless precaution in many cases.

TEACHER: Which teeth does man get last? Johnny Knowitall: The false ones, of course.

PETER SHAW, of West Winfield, N. Y., was afflicted with a severe cough, with pain in the side and lungs, and general depression, causing himself and friends much grief. He tried many remedies with no good results. One bottle of WESTAR'S BALSAM OF WILD CHERRY completely cured him.

CLERGYMEN may not amount to much as carpenters, but they make the best joiners in the world.

SICK woman: I'm so apprehensive, dear doctor, about being buried alive. Doctor: You shan't be, if I can prevent it.

WHOOING-COUGH.—If your children are suffering with this distressing malady, and early coughing to death, send to your druggist and buy a bottle of ALLEN'S LUNG BALSAM, and relief, we can confidently assure you, will be immediate and sure.

"Was your watchman recommended?" "Oh, not directly. I used to see him in church, and as he stayed awake all through Dr. Sonora's sermons, I concluded he was the man I wanted."

"MANY MEN, MANY MINDS," but all men and all minds agree as to the merits of Burdock Pills, small and sugar-coated.

DOCTOR to Gilbert (aged four): Put your tongue out dear. Sick little Gilbert feebly protruded the tip of his tongue. Doctor: No, no; put it right out. The little fellow shook his head, weakly, and the tears gathered in his eyes: "I can't, doctor; it's fastened on to me."

CHOLLY: Sometimes, my own, I almost think I am hardly worthy of your love. Polly: Do you think any one else is worthy of it? Cholly: Oh, I know none of the other fellows are.

Horsford's Acid Phosphate Makes Delicious Lemonade. A teaspoonful added to a glass of hot or cold water, and sweetened to the taste, will be found refreshing and invigorating.

"How do you read minds?" inquired a dude of a mind reader. "Well," he responded with great deliberation, "I first get the mind"—then he stopped for breath, and the dude for some reason slipped out.

A NEW YORK woman walked all over that city the other night in her sleep and never encountered the police. What do you suppose the cause was? "The cause was that the policemen were not walking in their sleep."

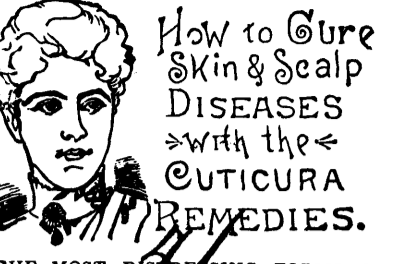

Minard's Liniment is the best. SACCHARINE is a substance 300 times sweeter than sugar. It comes in packages of about 150 pounds, and is stunningly gotten up regardless of expense, and is incased in hoop-skirts, bustles, velvet bodices and silk gowns.

A TALENTED lady, who advocates "Woman's Rights," and was recently speaking upon the subject, brought down the house with the following argument; I have no vote; but my groom has, whose rent I pay. I have great respect for that man in the stables; but I am sure, if I were to go to him and say, "John, will you exercise the franchise?" he would reply, "Please, mum, which horse be that?"

Minard's Liniment Cures Colds, etc. ENGLISH waiter (contemplating emigration) to American tourist: And 'ave you any 'otel tips over there? American (enthusiastically): Hotel tips? You bet! You should see a cyclone tipping a western hotel.

"MY daughter," remarked a grave and reverend United States Senator to his child, "didn't that young man who called on you last night remain very late?" "Quite late, papa," was the dutiful reply. "Well, my child, I should like to know what was going on that required so much time." "It wasn't that kind of an executive session papa," she said, with wise, precaution. "We never tell."
