**Reduced Cost
of Production**

is the goal all are striving for.

One of our Band Mill customers in comparing the Band with the Gang said:

"It's quality, not quantity, I'm after. I have stood over my men this year and insisted on quality. In selling my cut I arranged for an advance of 25c. per M for every 1% advance in quantity of the cutup and better grades. By the use of the Band I have secured 8% advance, which means \$15,000 extra profit this season."

Several gangs have been discarded for the Pony Band double cutting, adding much to quality while only slightly reducing quantity. Many hundred single and double cutting bands running in Canada. Simple—easily managed—it's worthy of investigation.
