Mercantile Summary.

In Gretna, away out west, Hoffman & Co.,
a firm of general traders, have assigned.

UPWARDS of eighty tons of strawberries were
shipped from Grand Falls, N. B., this season.

ABOUT 30,000 tons of coal will be stored at
Algoma Mills for the use of the Canadian
Pacific Railway.

A NEW factory is being built on the Canadian
side of the river by the Dominion Suspender
Company of Niagara Falls.

EXPECTATIONS as to the salmon run in the
Fraser River were not realized, and there is
much disappointment thereat.

E. W. EDWARDS & Co., wholesale dealers in
tailors' furnishings in this city, have assigned
owing \$10,000. Their assets are nominally
the same.

In Neepawa, Man., recently, an agricultural
implement agent delivered in one day to farm-
ers, 61 binders, 10 mowers, 11 horse rakes, and
22,000 pounds of twine. The value was about
\$17,000.

It is said that the experts sent from Pitts-
burg to examine the natural gas territory in
the Province of Quebec report that the wells
are all shallow and can never obtain a pressure
exceeding 25 pounds.

A NEW steamer, it is said, will be built to run
between Meaford and other Georgian Bay
ports. The estimated cost is \$15,000, exclu-
sive of the machinery. She will have a
speed of 14 miles per hour.

A HEAVY failure in the Montreal wholesale
wine and spirit trade is that of Mr. James
Guest, who has assigned with liabilities stated
at \$200,000. Mr. Guest began in a modest
way about sixteen years ago, and extended his
business quite rapidly, securing a number of
first-rate European connections. The Scott Act
agitation of recent years affected his business
seriously, and this, with recent heavy losses,
has brought about his suspension. His indebt-
edness is largely in Europe.
