Mercantile Summary.

THE creditors of Messrs. Thomas Brownlow
& Co., wholesale dealers in dry goods, in
Toronto, at a meeting of creditors on Wednes-
day last, agreed to accept a compromise at 65
cents secured. The spring purchases to be paid
in full.

THE citizens of Brantford, as well as those
of St. Thomas, are evidently alive to the advan-
tages of manufacturing establishments. At a
large and influential meeting held a few days
ago, resolutions were passed recommending the
Council to submit a by-law to grant a bonus of
\$10,000 and remission of taxes for ten years,
upon the establishment of a Sewing Machine
Manufactory. Mr. D. Plewes, the proprietor of
an extensive water power in the town, also made
a proposition for the establishment of a woollen
manufactory and stated that he would grant a 60
horse power on most favourable terms, and
could at once secure \$15,000 of stock towards
the establishment.

FROM a statement submitted to the share-
holders at the annual meeting of the V. Hudon
Cotton Company, held a few days ago in Mon-
treal, we learn that notwithstanding the depres-
sion in trade, the company has had a success-
ful year's business, which enabled them to pay
a dividend for the past six months. The cap-
ital originally subscribed was \$200,000, and as
considerably over this amount has been ex-
pended, the company has issued a circular, offer-
ing to the shareholders \$250,000 of debentures,
paying 8 per cent., at 92½, with interest dating
back sufficiently to reduce the price to 88½, the
net yield being about 10½ per cent.

WE have received a copy of the first annual
report of the operations of the Halifax Stock
Exchange, which states that notwithstanding
the great depression of trade during the year,
the Board has been so far successful. Its trans-
actions in stocks amounted to considerably over
half a million dollars. We are pleased to hear
of the progress of this institution. The ad
