FATHER AND SON CURED.

The Village of Whitechurch Developes a Sensation.

The Father Attacked With Rheumatism and the Son With St. Vitus Dance-A Story That Can be Vouched for by all the Neighbors.

From the Wingham Advance.

Mr. Joseph Nixon is the proprietor of the only hotel in the village of Whitechurch, and is known to the countryside as a man who thoroughly understands his business, and a jovial companion as well. It is well known in this part of Ontario that Mr. Nixon's hotel was destroyed by fire, but with that energy which is characteristic of him he quickly set to work to re-build. His story as told a reporter of the Wingham Advance, who recently had occasion to visit his hostlery, will prove of interest. "I was helping to dig out the cellar," he said, "and in the dampness and cold I contracted rheumatism which settled in my right hip. It got so bad that I could'nt sit in a chair without doubling my legs back at the side of the chair, and I could'nt ride in a buggy without letting the affected leg hang out. I suffered a great deal more from the trouble than any one who has not been similarly af-

fected can

"I was helping dig out the cellar."

imagine. How I was cured is ever more interesting, One day I saw a neighbor whom I knew had rheumatism very bad, running down the road. I called him and asked him what had cured his rheumatism. Dr. Williams' Pink Pills he promptly replied, and that determined me to try the same remedy. Well, the result is Pink Pills cured me, and that is something other medicines failed to do. I don't know what is in them, but I do know that Pink Pills is a wonderful medicine. And it is not only in my own case," continued Mr. Nixon, "that I have reason to be grateful for what the medicine has done. My son, Fred, about twelve years of age, was taken with an attack of cold. Inflammation of the lungs set in and as he was recovering from this, other complications followed which developed into St. Vitus dance, which got so bad that he could not possibly stand still. We gave him Dr. Williams' Pink Pills, with the result that he is now thoroughly cured, and looks as though he had never had a day's sickness in his life, and if these facts, which are known to all the neighbors, will be of benefit to any one else, you are at liberty to publish them."

Dr. Williams' Pink Pills are a specific

for all diseases arising from an impover-ished condition of the blood or a shattered condition of the nervous forces, such as St. Vitus dance, locomotor ataxia, rheumatism, paralysis, sciatica, the after effects of la grippe, loss of appetite, headache, dizziness, chronic erysipelas, scrofula, etc. They are also a specific for the troubles peculiar to the female system, correcting irregularities, sup-pressions and all forms of female weakess, building anew the blood, and reoring the glow of health to pale and sallow cheeks. In the case of men they effect a radical cure in all cases arising from mental worry, overwork or excess of any nature. Dr. Williams Pink Pills are only sold in boxes bearing the firm's trade mark and wrapper (printed in red ink), and may be had of all druggists or direct by mail from Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N. Y., at 50 cents a box or six boxes for \$2.50.

SMALL INVESTMENTS. Returning prosperity will make many rich, but nowhere can they make so much within a short time as by successful Speculation in Grain, Provisions and Stock.

FOR EACH DOLLAR INVESTED can be made by our Systematic Plan of Speculation

ORIGINATED BY US. All successfull speculators operate on a regular system.

It is a well-known fact that there are thousands of men in all parts of the United States who, by systematic trading through Chicago b okers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 to \$100,000 or more by those who hivests a few thousand.

It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematical trading.

Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a stedy profit that piles up enormously in a short time.
