

## **MANDATE**

### **Conference on Confidence- and Security-building Measures and Disarmament in Europe**

The participating States,

Recalling the provisions of the Final Act according to which they recognize the interest of all of them in efforts aimed at lessening military confrontation and promoting disarmament,

Have agreed to convene a Conference on Confidence- and Security-building Measures and Disarmament in Europe.

The aim of the Conference is, as a substantial and integral part of the multilateral process initiated by the Conference on Security and Co-operation in Europe, with the participation of all the States signatories of the Final Act, to undertake, in stages, new, effective and concrete actions designed to make progress in strengthening confidence and security and in achieving disarmament, so as to give effect and expression to the duty of States to refrain from the threat or use of force in their mutual relations.

Thus the Conference will begin a process of which the first stage will be devoted to the negotiation and adoption of a set of mutually complementary confidence- and security-building measures designed to reduce the risk of military confrontation in Europe.

The first stage of the Conference will be held in Stockholm commencing on 17 January 1984.

On the basis of equality of rights, balance and reciprocity, equal respect for the security interests of all CSCE participating States, and of their respective obligations concerning confidence- and security-building measures and disarmament in Europe, these confidence- and security-building measures will cover the whole of Europe as well as the adjoining sea area\* and air space. They will be of military significance and politically binding and will be provided with adequate forms of verification which correspond to their content.

As far as the adjoining sea area\* and air space is concerned, the measures will be applicable to the military activities of all the participating States taking place there whenever these activities affect security in Europe as well as constitute a part of activities taking place within the whole of Europe as referred to above, which they will agree to notify. Necessary specifications will be made through the negotiations on the confidence- and security-building measures at the Conference.

\*In this context, the notion of adjoining sea area is understood to refer also to ocean areas adjoining Europe.
